

WESTERNER 1971

Cindy,
I'm finally
I guess we've
been through quite
a big, well (yep)
we go to some school,
I think you've been special
together with my high school
wonderful. East Lake, South Mountain,
Summer with Ken Mack, are just a few of
the goodies. Some day maybe we can hold hands
or something, somewhere.

Len

Cindy,
Maybe I'll see you
this summer, or at
P.C. (if you go there)
I don't know what
to write. I could tell
you how beautiful
sweet and kind you
are - but I won't.
Good luck in the
future.
Bob Koeler

Cindy -
It's really
been great knowing
you these years, hope
to see you around this
summer. So good luck &
take care of yourself.

Love & Peace
Ed Kessel "11"

CINDY
I'VE REALLY
ENJOYED KNOWING
YOU THESE YEARS AT
SCHOOL. ME. HANLEY AND
MISS FOLLET'S CLASS HAVE BEEN
REAL THEILERS. I WILL TEASURE
YOUR FRIENDSHIP FOREVER. HAVE
A GOOD SUMMER
IT'S BEEN REAL
LOVE
STEVE

IF I AM NOT FOR MYSELF,

WHO WILL BE FOR ME?

IF I AM ONLY FOR MYSELF,

WHAT AM I?

AND IF NOT NOW,....WHEN?

WESTERNER/71

**WEST HIGH SCHOOL
PHOENIX, ARIZONA**

To challenge those things which must be obtained. To seek out that which must be sought. This is what was strived for in the 1970-71 school year. We can be proud of the accomplishments of our last year at West with the foundation laid for open campus. There were other such achievements as the raising of \$1,754.16 in magazine sales, the Mayor's

Youth Advisory Board, and finally a flag pole that we could pledge allegiance to.

There will be memories of all kinds for us when we leave. Some of these memories were captured in the eye of a camera, but not all will be preserved. However, all will be ours, to stick in the drawers of our minds and cherish.

As we come to the fork in the

road, we are on our own to decide which way we will go. We can be confident that the skills and the knowledge that we have obtained will lead us in the right direction. Our destination reaches out away from us. For some, it is close, for some, it is distant. Some will go alone, and some will go in pairs. But one thing we can be sure of, we will all get there.

CALENDAR

CLASSES

SENIOR

As the school year slowly came to a close, it inevitably brought the termination of the high school career for more than 600 Seniors. The realization that they would soon depart from West High lingered in their minds as they went through the activities, such as final exams and the Senior Bash. Reminiscing over the many days that went so fast, they remembered their Freshman year. The year Mike Feeney was class President and led them to victory in the Magazine Sale and the Homecoming Float competition. During their Sophomore year they earned \$500 in the Magazine Sale and netted their goal of \$1,000. Not so long ago, they remember the joy of being a Junior, finally becoming upperclassmen, and being victorious once again in the Magazine Sale, bringing in \$812. Ultimately, in their fourth year they became the undisputed leaders of West High. Under the dynamic leadership of Ron Cooper, they had another successful year by finishing second in the Magazine Sale and winning the class song for Homecoming. They also netted \$400 at the football dance of October 23.

Organizing a great Senior Bash were this years Senior Class officers (L to R) President, Ron Cooper, Vice President, Larry Siegler, Secretary, Kathy Janson, and Treasurer, Roger Dong.

Making their last year at West their best, were the Senior Class representatives. They are front row (L to R) Kathy Janson, Bert Villegas, Betty Wright, Patty Axe, Peggy Munn, Susan Harvey, Louann Green. Middle row (L to R) Mike Stamps, Cindy Bauer, Paula Akey, Mary Mehlum, Scott Ferris, Roger Dong, Ron Cooper. Back row (L to R) Larry Seigler, Marshall Adams, Khyl Powell, John Orzel, John Holmes, Warren Sheppard.

All their enthusiasm burst out in clapping after this group of Seniors finish singing their class song at the Homecoming assembly.

This is one of the many discussions and exchanging of opinions that went on after the assembly explaining colleges to graduating seniors.

A disbelieving Barbara Stanley looks up at the stands as Jon Lange checks his papers during the magazine assembly. A successful sale resulted after all.

JUNIOR

With the fine leadership of their president, Chris Hamel, the Juniors have succeeded through another year. They have demonstrated their boundless spirit in every endeavor they took part in. During Homecoming week their float came in first place. Furthermore, they were named number 1 for spirit. One of the most worthwhile projects that they undertook was the collecting of Clark gum wrappers for UNICEF. Each gum wrapper was worth two and a half cents which helped a child to get medicine or food. On October 16th they sponsored the first dance following the Camelback football game. The band, Blues Society, provided the entertainment and approximately \$220 was raked in. The Junior Class further increased their treasury by engaging in other various money-raising projects. During the course of the year they sold mirrors, and during Homecoming week they collected \$20 by selling Daffy Apples for spirit. In the latter part of the year they held their Prom at the Samoan Village.

JUNIOR CLASS COUNCIL

The Junior class officers paved the way to their Senior year with many projects, under the leadership of (L. to R.) President Chris Hamel, Secretary Peggy Leach, Vice President Greg Whitehorn, and Treasurer Cheryl Pete.

During the year the Junior Class Council came up with some good ideas to raise spirit. Pictured are front row (L to R) Debbie Campbell, Robin Clark, Rosemary Matey, Dawn Siebriecht, Martha Plants, Beth Pulliam, Rose Wong, Brenda Hickman, Rachel Partlowe, Shirline Watson, Ray Torres, Gina De Koek. At Open House in November, Mrs. Bridgewater explains to enthusiastic parents the techniques of teaching a foreign language.

"We Are The Juniors of West High", these words rang through the stadium at the Homecoming assembly as the juniors expressed their pride in their class.

To reach the unreachable is the thought that runs through the minds of the student body as they leave the Magazine Assembly in October.

Little girls will be little girls at the Puff N' Pant Prom sponsored annually by Girls League. This year it took place on October 26 in the gym.

A new coat of paint was just one of the much needed improvements made at West this year.

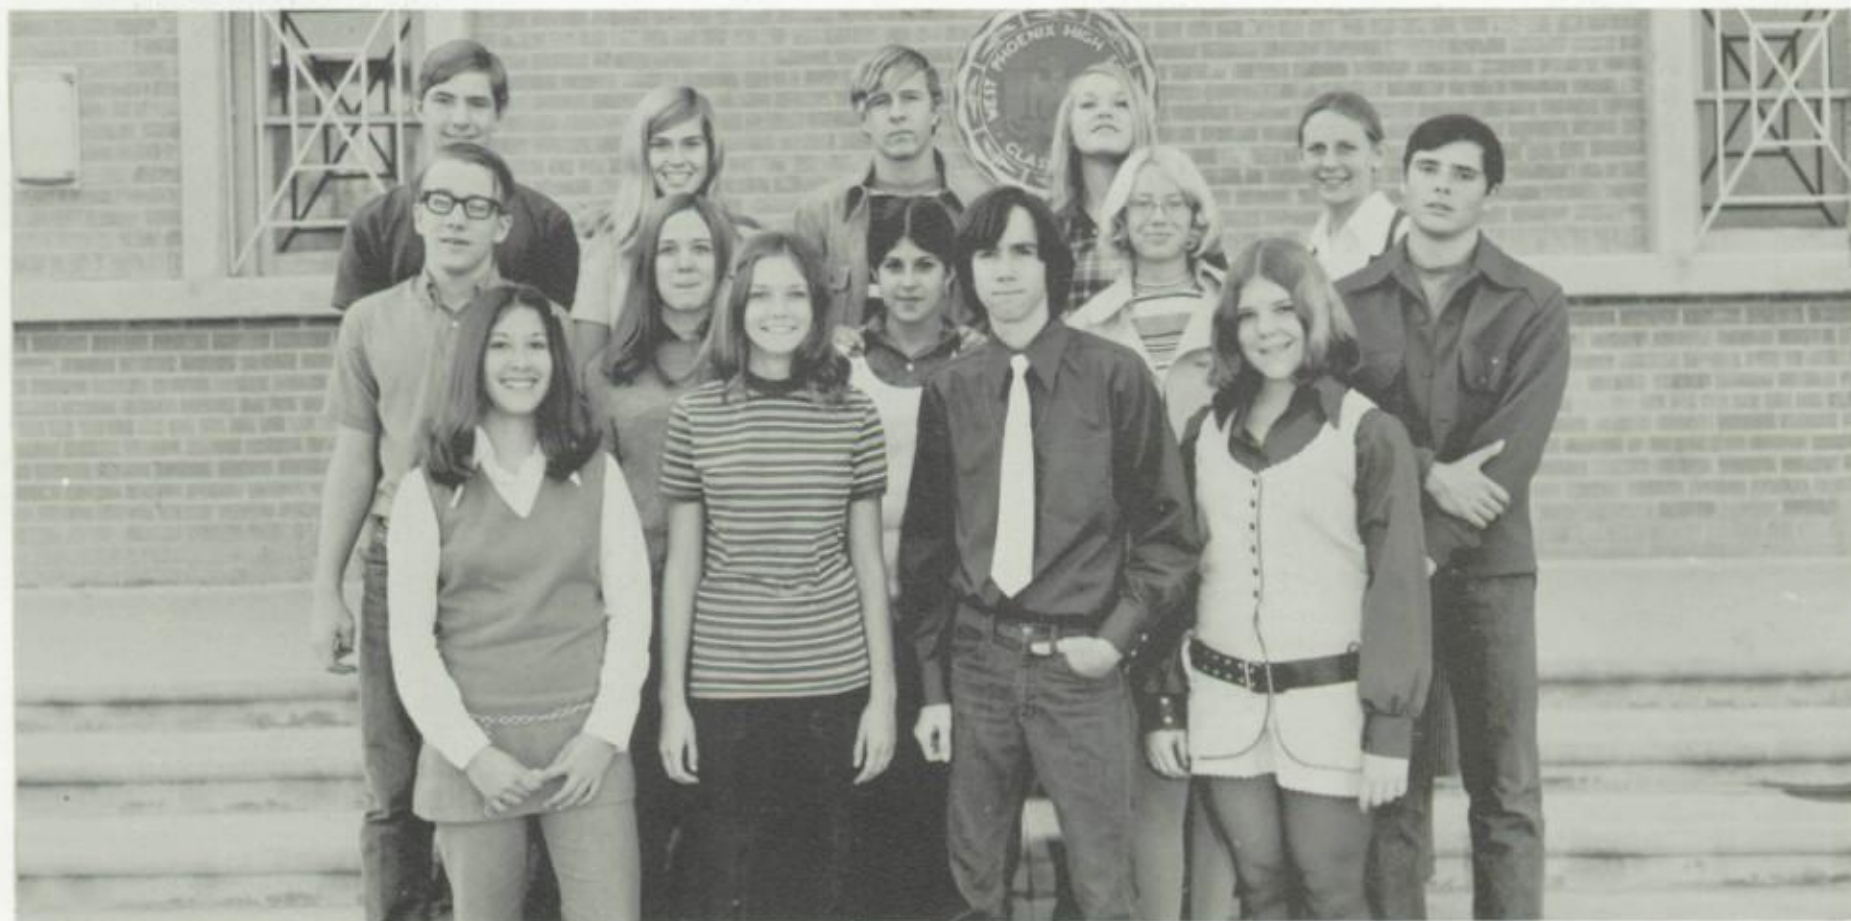

SOPHOMORE

After their first year and much energetic hard work, the sophomores have proved their ability to accomplish a great deal of notable work. President, Bill Mijal, fearlessly led the class through this year's projects which proved to be both charitable and money-raising. Participating in the magazine sale they came in third place, contributing 23.5% of all the money earned. They also sponsored the dance after the Carl Hayden football game, adding approximately \$350.00 to the Sophomore treasury. In the early spring, they held a Slave Sale and during the winter planned a bus trip to the Snowbowl, charging \$6.50 per person to cover expenses.

Making an active year with various activities are President Bill Mijal, Vice-President Dave Owens, Secretary Terri Jefferson, and Treasurer Scott Carson.

SOPHOMORE CLASS COUNCIL

Attempting to arouse the spirit of their class, these Sophomores strived for unity. They are: Front row, left to right; Anita Munoz, Holi Bowers, Tim Tally, Terri Jefferson. Middle row, left to right; Scott Carson, Karla Bernards, JoAnn Propati, Marie Dyson, Bill Mijal. Back Row, left to right; Bob Bedard, Vicki Lorent, Bill Young, Sally Stearman, Susan Schlimgen.

"Oh, poor Henry looks so sad!" Miss Wolf's eighth Biology class has Sherry Vogler to thank, for bringing to school her pet owl, Henry. Looking on is (L to R) Elizabeth Jones and Steve Roth.

Dave Owens leads this discussion group at the annual Student Council Workshop.

"Yea for the Sophomores!" These students reveal their spirit at the Cortez Pep Assembly.

At the Father-Daughter Banquet these girls chat with their Dads while "Lovely Little Charlie", a Key Club waitress, looks on. From L to R they are Claudia Goodson, Ann Golden, Mr. Goodson, Mr. Golden, Sally Golden, and Charlie Howell.

During a German Club skit, Patti Barkley and Marsha Thornberg look questioningly at their sponsor while Nancy Sellers and Jim Hanley have a private conversation.

On Thursday, November 11, there was an Open House. These and other parents tried to succeed in finding the rooms of sons and daughters classes.

FRESHMEN

Despite the awesome, trying experience of adapting to a new school, the Freshmen Class proved early in the year that they were active and enterprising students. Under the leadership of President Doug Lee, they participated in a variety of activities, some of which were the "Slave Sale" early in the spring, and sponsoring the first dance of basketball season. Although they didn't come in first, they made a very impressive showing in the float competition during Homecoming Week. Their efforts in the Magazine Sale brought in 21% of all the money earned in that endeavor. A lot of spirit and enthusiasm has emerged from this class, and they have done much to contribute to the interest of West High.

FRESHMAN CLASS COUNCIL

The Freshman Class had an adventurous first year under the leadership of (L to R): PRESIDENT Doug Lee, VICE PRESIDENT Stephanie Stien, SECRETARY Mary Kay Naughton, and TREASURER Janice Connell.

These Freshmen using their abilities and their talents have completed a year that they can be proud of. Pictured are, Front Row (L to R): Julie Lyons, Diane Lawson, Susan Wilke. Second Row: Linda Vawter, Vicki Hetz, Bob Royden, Judy Johnson. Back Row: Mona O'Connel, Nancy Clouse, Carol Hansen, Diana Angulo.

ORGANIZATIONS

Exciting things happen in the **Aerial Phenomina Research Organization**. Their main objective is the study of space science, which includes a study of Unidentified Flying Objects. Throughout this past year they have visited the A.S.U. Planitarium, and went to the Flagstaff Observatory. Taking several field trips to naval bases and to a meteor crator has served to be an interesting learning experience. Mr. Howell served as sponsor.

CHINESE

Wish to become involved in a cultural exchange of Oriental culture? The Chinese Club is where it's at. A scholarship is annually given to an outstanding student who will continue their study in the area of Chinese or Asian studies. In addition, they sponsored the Christmas banquet and the Chinese New Year Banquet.

COE

Cooperative Office Education is an on-the-job training program between the school and the business community, and was designed to further develop a students business skills. This is accomplished through projects and group activities. One of these was an employer-employee banquet held in May, and eleven valley high schools participated in planning and organizing this event. To belong to the club, a student must be enrolled in the C.O.E. Program.

JUNIOR DECA

SENIOR DECA

The main objective of the **Distributive Education Club of America** is to develop respect for education in marketing and distribution. This in turn will contribute to vocational competence. Also, they hope to promote understanding and appreciation for the responsibilities of citizenship in our free competitive enterprise system. They have participated in a wide range of activities. Members took part in the State Leadership Conference, raised money for Codac, and also held the employer-employee banquet at the end of the year. Students who have a good citizenship record at school and who have a desire to learn a job skill in Marketing and Distribution are eligible for membership.

FELLOWSHIP

This organization over its years of existence has become one of the most distinguished clubs on campus. With the advice and guidance of their sponsor, Mr. Dallas, they have achieved their purpose, this being to spread goodwill and a better understanding among the student body at West High. Likewise, as in the previous years, they have strived to create an atmosphere of brotherhood throughout the school. During Brotherhood Week they sponsored an assembly to further their cause. They also raised money for scholarships to Anytown.

FRENCH

The French Club is now in its second year of existence. With the assistance of Mrs. Clay they have become familiar with the French ideals, their principles and with their culture. Money earned from the bake sales and car washes that they held was added to their treasury.

GERMAN

The German Club's chief goal is to lessen the gap between people of different civilizations. Also it is to broaden the students understanding of himself as well as others. Under the direction of their co-ordinator, Miss Davidson, they have been involved in several worthwhile activities. Their sponsorship of a car wash, a banquet, and a picnic proved to be very profitable. In addition, their float for Homecoming won the "Best Club" award this year. Students in good standing at West are eligible for membership. Meetings were held every Wednesday in room 221.

GAA

GAA CONT.

GAA can boast about its extensive membership. Being one of the largest organizations on campus, it has nearly 200 members. They engaged in special activities numerous times this year. These included such things as bike hikes, Powder Puff Football Games, and Father-Daughter and Mother-Daughter Activity Nights. Probably one of their most memorable and worthwhile projects they undertook was the adoption of Christmas families, collecting food, clothing, and toys to make it a merrier Christmas for these unfortunate families. There are no special requirements for this organization, except that you must be a girl interested and willing to participate in various sports and activities.

GIRLS LEAGUE CABINET

The main objectives of Girls League are to promote democratic ideals, a friendly spirit and close relationships among the girls of West High. This organization gives all girls the opportunity to serve the school and the community. Furthermore, it provides for a wholesome social life. During the year they sponsored and participated in a number of activities. Some of these activities included the Puff & Pant Prom, the Christmas Semi, the Everygirl's Dinner, the selling of Valegrams, and a field trip to Slide Rock. Miss Follett is the coordinator and presides over the meetings. Councils meet every Wednesday and cabinet members meet on Mondays. In charge of this year's cabinet meetings were President Carrie Naegle, Vice President Bev Robb, Secretary Shelley Fugate, and Treasurer Pam Hawkins.

GIRLS LEAGUE--JUNIOR COUNCIL

Putting their heads together for ideas on helping the welfare of the school and community were President Cheryl Kleck, Vice President Pam Larson, Secretary Debbie Wirtz, and Treasurer Mary Yeoman.

GIRLS LEAGUE--SOPHOMORE COUNCIL

Busily thinking up ideas to promote goodwill were President Marie Dyson, Vice President Nancy Wong, Secretary Sally Nelson, and Treasurer Pam Wier.

GIRLS LEAGUE--FRESHMEN COUNCIL

In the next few years these girls will be carrying more of the load. Officers were President Lilly Fitzgerald, Vice President Mona O'Connell, Secretary Judy Johnson, and Treasurer Tina Barrett.

KEY CLUB

The Key Club has finished another fine year of activities. Although this club is restricted to boys, girls can benefit from it also. Such as, having waitresses for the Father-Daughter banquet, and the Christmas Semi-formal. The purpose of the Key Club is to provide service for the school and community. Other activities included the gathering of snow for the snowman in the quad during the Christmas week, the trip to Northern Arizona for the Christmas tree, and the picnic and Sun's Basketball Game for the kids from impoverished South Phoenix.

LEO CLUB

The Leo Club, also known as the Lion's Club, has been a long established organization. **Leadership, Experience, and Opportunity** are just a few of the many characteristics found in this association. This year the Leo Club raised money for Kevin Burns, an injured football player from Alhambra, donated a lawn mower to the Perry Institute, sold \$85.00 worth of Spook Insurance for TAP, and went caroling for TAP.

NATIONAL THESPIANS

The National Thespians Society has accomplished another year of fine work. With the aid and the assistance of Miss Golman they have served their primary purpose, which is to develop and improve the acting skills of the participating members. Throughout the school year they have arranged school plays, performed skits, and provided educational speakers.

NATIONAL HONOR

National Honor Society is one of the few organizations that is exclusively for Juniors and Seniors. It promotes scholarship, character, leadership, and service among these high-achieving students of West. A stringent grade point average of 5.0 for Juniors and 4.5 for Seniors is required in order to be eligible for membership. This year they co-sponsored an intra-school tutoring service with Parnassus.

PARNASSUS

Parnassus is an honorary club which is restricted to those students who maintained a grade point of 4.5 or better. The goal of this non-competitive organization is to raise money for a scholarship. This is given to an academically worthy graduating Senior at the end of the year. They performed numerous services for the benefit of the school. One was their participation in the intra-school tutoring, which helped students in need of aid, obtain it without cost.

QUILL & SCROLL

Quill and Scroll is an organization that acknowledges the Juniors and Seniors who have a special talent in the areas of publications, photography and journalism. Probably the highlight of all their activities was the annual trip to California, which was made in April. Money was earned for this endeavor by holding car washes, rummage sales, and other similar activities. This organization is unique in that it requires all members to undergo the traditional on-campus initiation.

RADIO

If it is your ambition to go into the field of amateur radio, the Radio Club can help you reach your aspirations. Code practice sessions, explanations of radio theory, and demonstrations of station operations are all part of the preparation this club has to offer for this field. Qualified members may obtain an amateur radio license. Meetings are held every Tuesday at 3:10 in room 121, under the sponsorship of Mr. Jepsen. Anyone interested is welcome to join this organization.

SPANISH

The intention of the Spanish Club is to acquaint the members with the Spanish customs and way of life. By promoting these customs, both new and old, they hope to create a better understanding among the people of different cultures and backgrounds. With the assistance of Mrs. Cripps, their coordinator, they have experienced another prosperous year.

SPEECH & DEBATE

Members of the Speech and Debate Club have competed diligently in various tournaments during the entire year. The most significant contest they engaged in was that of the Forensic League of Arizona. Any student who desires to develop better speech techniques will find this organization extremely beneficial. This year they were sponsored by Mrs. Benner and also by Mrs. Silberschlag.

VICA

The **Vocational Industrial Club of America** is an organization which strives to unite in a common bond all students enrolled in trade, industrial, technical, and health education. Those students develop leadership abilities through participation in educational, vocational, civic, recreational and social activities. By taking part in such activities, they learn to hold a deep respect for the dignity of work.

STUDENT COUNCIL REPRESENTATIVES

In charge of relating current campus news to the reg rooms are the Student Council Representatives. If properly petitioned, Student

Council considers and approves or disapproves policies, activities, and changes recommended by the students, the Executive Committee

or the faculty. This year Student Council played a major role in the Magazine Sale, the Christmas family project, and community services.

ACTIVITIES

Headed by John Korinek, the Activities Committee has worked toward the goal of co-ordinating the interests of the students and generating spirit throughout the student body. They were responsible for selecting the bands, taking care of the refreshments, and doing all the general planning for the Homecoming and Rodeo Dances. This committee also sponsored the Junior Olympics held during Homecoming week, the door decorating contest at Christmas, and the Spring Madness Week when the clubs competed in different activities.

PUBLICITY

It was the responsibility of the Publicity Committee to publicize all the school events that were to come. Publicity covered every aspect of school life such as the student government activities, sports, and musical performances. Posters and bulletin boards displaying information around campus were indications of their genuine interest to accurately inform students of every happening. Furthermore, they handled the marquee, which is located on the corner of 19th Ave. and Thomas. Its purpose is to let the public know about events to which they are invited.

PROMOTES OPEN CAMPUS

ASSEMBLY

Under the leadership of Committee Chairman, Peter Ehrhardt, the Assembly Committee put in hours of hard work and planning to provide for better and more informative assemblies at West High. Throughout the year they succeeded in scheduling and preparing all the different types of assemblies. Some of these were the Coleman Blumfield Memorial, all the pep assemblies, the AFS and Student Government assemblies, orchestra performances, and skits. They also provided the annual assemblies, such as those for the Magazine Sale, Rodeo and Homecoming weeks, and TAP.

CAFETERIA

The sole intent of this organization was to promote an orderly, well-regulated atmosphere in the cafeteria. This committee consisted of students who were interested in taking on this responsibility. It served to minimize the use of guards and to maintain a free and relaxed environment as well. They were also accountable for keeping the cafeteria clean.

This year Barbara Lotspeich, Charlene Potter, Dana Brander, and Betty Ward were responsible for all written material appearing in the Westerner. It was also their task to see that good grammar was used and that all words were spelled right.

WESTERNER STAFF

Co-operation and a lot of patience are important factors for being on the WESTERNER Staff and this year both were extremely necessary. Many significant changes were instituted in this year's book. A great deal of thought and planning were expended in this in order to present one that would portray the unforgettable memories that make a yearbook so special. We have tried to take into consideration the desires of all students and by doing so create a book which could meet with the satisfaction of a large majority. Due to time limits and other conditions the senior portraits which hopefully were to be in color had to be forgone for regular black and white. With the strong encouragement of our Editor, Lois Minor, the four staffs worked to create a book which could record all the important events at West High and bind them together into the 1970-71 WESTERNER.

Working carefully to make their last deadline are Debbie, Barbara, Cindy, and Lois.

SUN DIAL STAFF

A total rebuilding program faced the Sun Dial this year after the graduation of fifteen of last year's staff members. Responsibility was accepted by some underclassmen and with a handful of seniors to lead the way they succeeded in creating an interesting and distinctive paper to inform students of activities around campus.

Under the supervision of a new

sponsor, Mrs. Heckler, the staff tried to get the students more involved and prepared to deliver, with greater force, a paper which could express the ideas of more students. During the first term the staff was directed by Editor, Mary Lou Lewis but because of personal problems this job had to be given up and was taken over by Ron Cooper.

Funds for the paper were raised by sales, advertising, and publications tickets. It was with this money that special editions of the paper were published, such as Christmas, Rodeo, and the Pun Dial. Off campus issues that related to West High's students also were covered.

Taking a break to chat things over are from (L to R) Jeff Devall, Ron Cooper, Mike Wheatley, and Mary Lou Lewis.

Looking over an old scrapbook are Back Row (L to R) Laura Stone, Brett Myers, Jeff DeVall. Front Row (L to R) Kathy French, Brenda Guthrie, Mary Lou Lewis, Mike Wheatley.

Some constructive advice passes from Mrs. Heckler to Ron Cooper about the Sun Dial.

Intent on completing another edition, the Sun Dial Staff works intently with the help of advisor, Mrs. Heckler.

Pom and Cheer

Maroon and white outfits on game days became a familiar sight around campus as the 1970-71 cheerleaders passed out pin-ons, smiles, and hearty encouragement to our players. From selling chocolate chip cookies in the winter to popsicles in the summer, they raised money and spirit for our boys on Varsity. Special presents were given to the players to reas-

sure them of our confidence and the cheer leaders displayed a dedication which persisted unconditionally throughout the year. They practiced during the summer and attended a cheerleading camp at Redlands, California in July to prepare them for a rough year but proved to be worthy of the honor and responsibility.

"Let's go, big team!" With the help of the Cheerleaders, the Thunderbirds wiped out the Alhambra Lions in our last game in the month of January.

POM

"We must fight on to Victory!" were the words sung by our Pom line as they synchronized their movements to our fight song. Another line once again put forth a year of long practices and enthusiasm to add entertainment to our school activities in 1970-71. Dancing at Freshman Orientation followed a long summer's hard work and they continued through the year with numerous assemblies and our home games. Sales were an important part of their schedule and a necessity in order to pay for expenses during the year. At Christmas they sold candycanes and, along with the Cheerleaders, sold chocolate chip cookies throughout the whole year. At the Coliseum on Christmas Day they performed for our victorious Suns and in November they traveled to the Fair with our band. Sitting along the sidelines at games they offered cheerful support to our teams and a traditionally special attraction to our halftimes.

ROTC

The Reserve Officers Training Corps prepares young men and women for life in the Armed Forces. They offer instructive courses in first aid, leadership techniques, and learning how to drill. Also, young men are then better prepared for the draft. There are 120 members in the West High Junior R.O.T.C. program which is made up of the different Companies, the Color Guard, the Rifle Team, and the Drill Team of the battalion. One of the main goals the program is striving for is uniformity and precision. This year, West High can take great pride in the J.V. Drill Team, which made the City Champions by winning all their matches. Stephen Gose was the high shooter of all the matches.

OFFICERS

The commanding officers have the important responsibility of informing and controlling the battalion. It is their task to see that all the orders from the Battalion Commander are enforced and to report any violations of these orders. They publicize military events in the paper, on radio and T.V. and maintain the Battalion bulletin board. Preparation of the weekly training schedule is also taken on by them.

COLOR GUARD

By presenting the stars and stripes, the Color Guard has added dignity and respect to all the military functions held at West. Furthermore, they marched in the Gompers, Rodeo, and Veteran's Day parades.

DRILL TEAM

Twenty-seven cadets, two guidons and a commander make up this years Drill Team. It is the combined unit of Company A and Company B. The team has performed exhibition drill movements, which are done under the guidance of Cadet Captain Mike Benavidez as commander. Their performances include marching in the Gompers Day Parade, Rodeo Day Parade, Homecoming Halftime, M.O.W.W., and Federal Inspection.

GIRLS DRILL TEAM

Doing their good deed for the day, everyday, the Girls Drill Team marches onward and upward, upward into a better career and onward to an understanding of life in the Armed Forces. Any girl is eligible to volunteer for this course, which has many

opportunities to offer. Under the direction of Commander Joyce Osborne, they helped out with many different school functions during the year, such as the assistance offered to parents on Open House night.

COMPANY A

Company A consists of upperclassmen under the command of Cadet 1st Lieutenant Mike Benavidez. Making up half of the battalion, Company A marched in formation in the Veterans Day and Rodeo Day parades. They were also seen during halftime at football games.

Led by Company Commander, Cadet Captain Stephen Gose, Company B can often be seen marching in formation on the football field. This group, which consists solely of freshmen, is just getting used to the practices of R.O.T.C. First platoon leader Robin Barcaly and second platoon leader Donald Shoemaker help give orders along with helping them become acquainted with the organization.

BAND

"Hail Alma Mater" is one of the many tunes heard from our 1970-71 Thunderbird Band. These are 96 members in the band, all of whom contribute long hours of

parents and students. On Christmas Day, they played at the Phoenix Suns' benefit ball game, which was on national television. To add money to their treasury,

the band sponsored a dance following the East High basketball game, early in January, plus they held car washes.

Entertaining in this year's Christmas Program was the Woodwinds Quintet. This group consists of one flute, two clarinets, one french horn, and one oboe. They are (L to R) Nancy Shortridge, Jacque King, Carl English, Kathy Barth, and Susan Wallingford.

ORCHESTRA

The West High Orchestra has completed another active year. Once again they succeeded in producing inspirational music for the benefit of the students and the community. The six divisions are

comprised of the violins, violas, cellos, woodwinds, brass, and percussion. These sections put in hours of practice to bring forth their distinct sound. The 64 members have performed in two for-

After losing their first two games, things started looking up for the T-birds when they tied Central High, last year's state champs. The next game brought a victory over Washington. The winning score came on a 21-yard pass from Lon Saunders to Bill Seals with 36 seconds left in the game. In the last six games, however, the Varsity Squad was only able to pull through one win, that being the 14 to 7 Homecoming victory over North. Team leaders Bill Seals and Lon Saunders were selected for the All Division Team, Bill as an offensive back. Lon Saunders was also chosen as a halfback on the first team for All-State, and Bill Seals as a back on the North team for the All-Star game in August.

UP and AWAY! Brad Sharpe arches a high one at the basket over the outstretched hand of the Falcon's Charlie Neal. Khyle Powell watches the action as the varsity lost a close tilt to Carl Hayden.

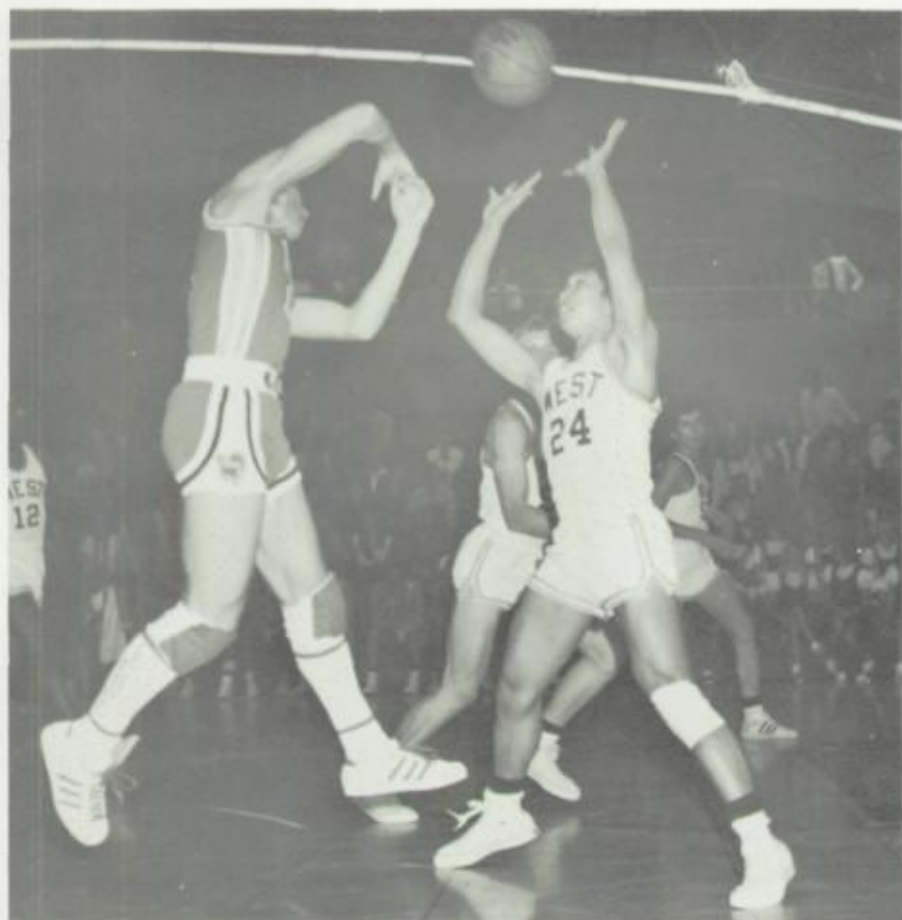

HE DID IT--NO, YOU DID! The "ref" points an accusing finger at the Falcon's Faulkner who seems to believe that Sharpe was the guilty one. Brad was in no position to get in the argument. (Who hit you, Khyle?)

MUSCLE UP! Bob Cummings' muscles show the effort he makes in attempting to get up to stop a shot in the first Alhambra game. Alden Carbine (44), Lon Saunders (34), Sharpe (10), and Jeff Ginster (30), watch the ball. (Wherever it was!)

A NEW DANCE, MAYBE? Saunders and Carbine look like they're warming up for the dance after the game while Alhambra's Perky dribbles around them.

ANYONE FOR VOLLEYBALL? It looks like Ken Wong (24) has his games mixed up -- but really, he's trying to block a Buffalo's pass in an early-season game against the Tempe squad.

GET IN THERE, BALL! Cummings outmuscles Alhambra's Malivick to score another two-pointer for the Rochemen, while Carbine (45), Sharp (11), and Pete Ehreardt watch hopefully. The action was on the Lion's court.

WHO'S GOT IT, JEFF? Somewhere in that wild scramble was the ball. The varsity five may not have come up with the ball, but they did come up with their second win over the Lions. Ginster has a close look at the situation while Saunders (35) and the Lions' Grant-ham (41) prefer a safer distance.

Although the 6-16 record was not outstanding, this year's varsity quintet gave their fans many moments that were just as exciting as any championship could have—times like the victory over Central in December, those close last second losses to Maryvale, North and Camelback, and of course the thrilling, double-overtime loss to South that came in the playoffs.

Coach Roche's squad, paced by the scoring of seniors Lon Saunders and Khyl Powell and underclassmen Alden Carbine, Jeff Ginster, and Brad Sharpe, picked up four of the victories in the second half of the season, but they could not reach the consistency that had been so prevalent in our teams during the previous three years.

The team still fought its way to third place in the league standings and won the right to battle South in the division championship playoffs.

Despite the fact the Varsity had only 11 wrestlers and consequently had to forfeit five points at each match, the team made a strong showing throughout the season. Coach Hutcherson remarked that he was pleased with his squad and "the team as a whole improved during the season." The three-hour practices every night after school helped build strength and gain accomplishments, but it took a lot of dedication to stick out the entire season. Dave Lewis was named the most outstanding wrestler; Steve Ewing, the most improved wrestler; and Bill McCaw, a freshman, the most outstanding underclassman. Dave and Steve went to state where Dave took first place in his weight division.

With many members of the cross country team returning to participate in track, the distance events were once again a strong point for Coach Torrence's thinclads. Leading the distance men was Fred Murless, who was ranked among the top fifteen two-milers in the state, with the season less than half over. Moving up fast was miler, Ace Balderrama, who was ranked in the top ten last year, as a junior. Steve Frisch proved valuable in his ability to double as a weight man and a sprinter. Pulling in extra points were, high jumper Charlie Owens, half-miler Paul Maciel, quarter miler Dave Moye, and hurdler Alden Carbine. Carbine, who has shown great improvement this year, broke the school record in the 330 yard intermediate hurdles and tied the record for the 120 yard high hurdles in a four way meet held at Central.

Charlie Owen lets out a heave as he throws himself over the bar of the high jump pit.

Leg extended, straining for balance, Alden Carbine flies over one of the high hurdles.

Fred Murless sees how long he can balance the vaulting pole while Coach Torrence talks to the team before track practice.

Nice run Ty! In the Varsity meet against Alhambra and Prescott, Ty Couch made a valiant effort and came in a close second behind state champ, Chuck Walker.

One of the most strenuous and time consuming sports is Cross Country. This year the team, coached by Mr. Torrence, proved that the effort was well spent by completing one of their most successful seasons. Only one meet was lost during the regular season and the guys more than made up for that when they took Divisionals for the second consecutive year. Fred Murlless, finishing second, was the first man for West with Ace Balderrama eighth, Ty Couch eleventh, Mark Maxton twelfth, Mike Feeney fifteenth, Doug Gilbert twenty-first, and Steve Morin twenty-seventh. Fred was the top runner again for West when the team pulled off a victory at Inter-Divisionals. It looked as if the T-bird harriers couldn't be beat, but shortly before the State Meet bad luck hit. Mark Maxton, the number four man, was hit by a car and sustained a broken foot, and Ty Couch had a bout with the flu bug. Despite dampened spirits the team took third in State. Do away with accidents and sickness and we just might have had the State Champs on our hands.

VARSITY BASEBALL

Front Row (L to R): Brian Kelly, Doug Mahoney, Dan Porter, Ed Kossel, Bob Cummings, Jim McBride. Middle Row (L to R): Bob Kessler, Carl Bakemeier, Bill Stephens, Khyle Powell, Coach Stitt. Back Row (L to R): Frank Savarese, Scott Schmidt, Lon Saunders, Craig Griffin.

A 5-5 season record had been posted by Coach Jim Stitt's Varsity nine at press time, with four of those wins coming in the last five games.

A weakness in the pitching along with a rash number of errors plagued the team in the early season games. However, even with the slow start, chances for a division title and another shot at the state playoffs looked good for this improving ball club.

Ed Kossell and Bob Kesler looked strong on the pitching staff while Saunders, Cummings, and Savarese were the team batting leaders.

COME NOW, COACH — it can't be that bad! Coach Stitt's expression doesn't reflect the outcome of the game, a victory over Tucson High. That's Saverese, Mahoney, Saunders, and Kossell watching the action.

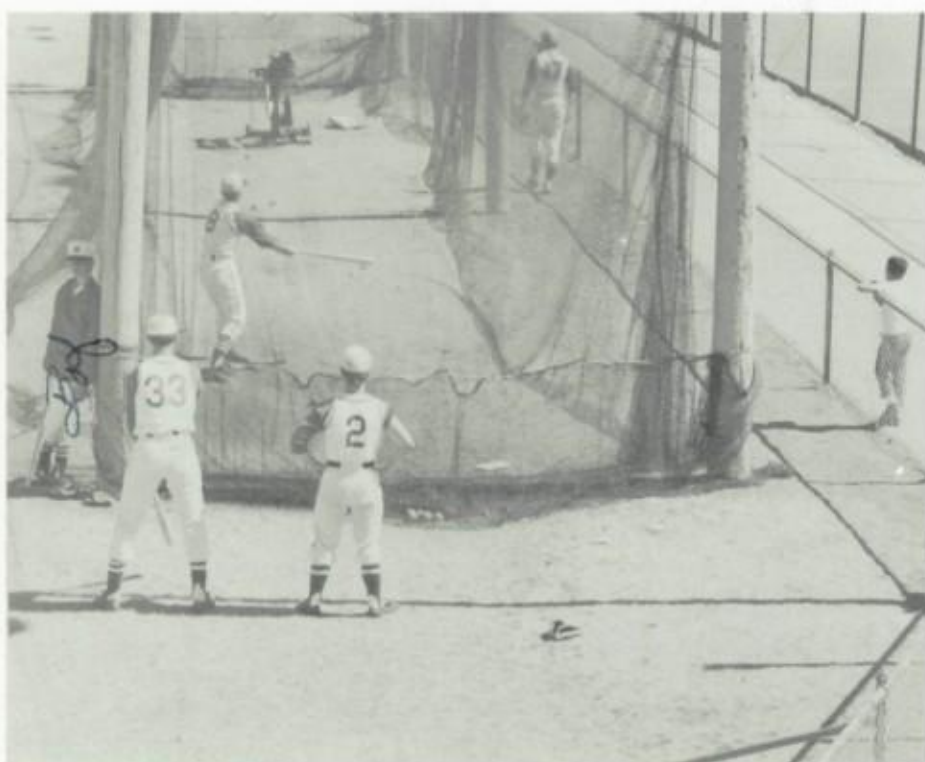

A LONG OUT — Bill Stephens' digs for the first base after lifting a high fly ball towards center field in the Varsity's opening win of the season over Tucson.

WHERE'D IT GO? — First baseman Dan Porter seems to be waiting hopelessly for the ball as the Tucson batter races for the bag. The play, however had been made to third base for a force out to retire the side.

BLAZER — Bob Cummings fires his fast ball past a Tucson Badger in the early innings of the early season Saturday game on the home diamond.

STRIKE THREE — and another batter goes down swinging to the talents of the mechanical pitcher! Actually, Carl Bakemeier is getting some wood on each ball as he works on his batting techniques. Bob Bedard, Paul Downey, and Don Brazeil await their turn in the cage.

KEEP YOUR EYE ON THE BALL! That ball isn't just hanging there—Cummings has just turned loose with another fast one that will catch the Tucson batter looking. Bill Stephens waits for the pitch to reach his glove, while the ump sneaks a look over his shoulder.

Waiting their turn—The progress of the Tucson game holds the Varsity's attention as each waits for his turn at the plate.

GIRLS GOLF

A very successful and rewarding season resulted from many hours of practice for the Girls Golf Team. Everyday after school the girls practiced at Encanto Park and matches were held on Mondays. The District Meet was held November 13 at the Thunderbird Country Club and after an 18 hole round, West placed third. Participating, were Toni Black, Barbie Bogard, Terri Keown, Pat Laizure, and Debbie Keown. Helping West to place 6th at the State Meet were, Toni Black, Barbie Bogard, Terri Keown, Pat Laizure and Ellie Schlimgen. This 36 hole match was held November 19 and 20 at the Papago Golf Course and the Thunderbird Country Club.

BOYS GOLF

The Boys Golf Team has turned out another active year of hard, competitive work under the direction of Coach Bill Munson. In order to reach the top, they have given up many hours of their free time during the weekends and after school. They could be found devoting their utmost efforts toward perfecting their swing and developing their skills. From March 1 through May 21 the Varsity competed in 10 matches, and the Division Championship in Tucson. The Junior Varsity Team participated in 8 matches March 4 through April 29. Each of the matches were played against 2 other teams in our division.

ARCHERY

Front Row (L to R): Dale Zusi, Kathy Walker, Sue Wright, Sue Burton. Back Row: Vicki Rysso, Chris Newman, Linda Yvoskis, Kris Kegley, Barbara Murphy.

Precision is the qualification in archery and the Girls Archery Team puts in a great deal of practice to attain this goal. There are three mandatory practices a week, but you can find some of the girls practicing everyday. Although there is not a regular season of play there was a District Meet, April 24th, at Carl Hayden and on May 7 and 8 the State Meet was held at Central High.

Although their first match went down as a loss to Alhambra, the Varsity Badminton Team came back up with eight consecutive wins to end the season with an outstanding 8-1 record. Downing undefeated Central High became the match of the season and tied West up, for first place. Participating in the State Championships were Michelle Miller, who placed second in singles, and although they didn't place, Judy Warren and Kim Foosse participated in doubles.

BADMINTON

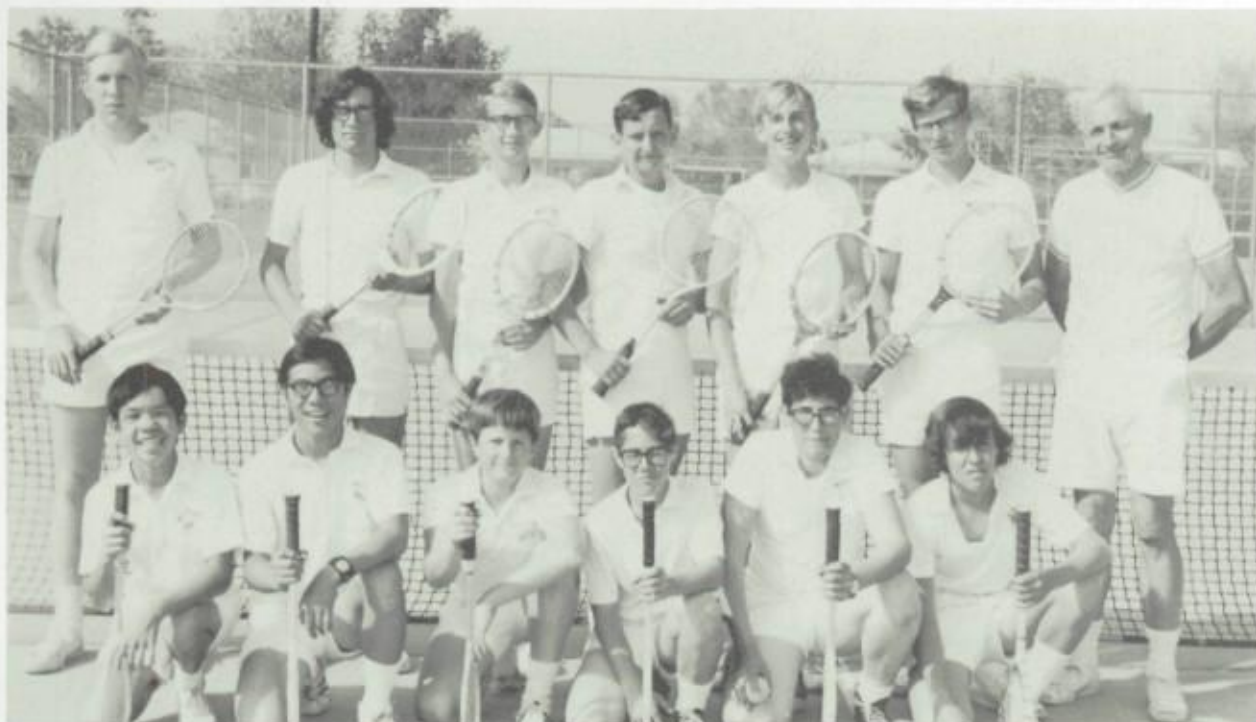

Front Row (L to R): Cathy Carlson, Vicki Shanks, Michelle Miller, Judy Warren, Kim Foosse, Sandy Reasor, Judy Shanks, Bertha Clouser. Back

Row: Nancy Sellers, Mary Jo Stephens, Pam Hantsch, Pat Barkley, Janice Davis, Bertha Villegas. Not Pictured: Sally Green, Julie Echols,

Dorene Stewart, Becky Geist, Paula Rosato, Cheryl Perdue.

BOYS TENNIS

Tennis is a strenuous sport that requires plenty of coordination, boundless energy, alertness, and quick reflexes on the part of the players. Hour after hour was spent to fulfill the hard drive and ambition these boys had, to improve their skills and techniques applied in the game. With the leadership of Coach Abe Stanfield and the two returning Varsity lettermen John Korinek and Jon Lange, 1971 proved to be a building year for the Boys Tennis Team at West High.

GIRLS TENNIS

A great initiative and long hours of practice pulled together in making this year's West High Girls Tennis Team a good one. They showed great potential in compiling a 3-2 season record as of March 12. Among their victories was Maryvale, Carl Hayden, and Phoenix Union. Besides improving their skill, a nice tan is gained during practice in the hot spring sun.

BOYS SWIMMING

Front row (L to R): Dave Kerr, Craig Nepsky, John Jenckes, Dale Zeitlin, Phil Lange, Chris Hamel,

A moment of tensed muscles, concentrated silence, a big splash and they're off! Each relay or race starts and the endurance, strength and practices built up from previous weeks, all come into view. The West High Swimming Team puts in many hours of practice in preparation for meets, including the shivery hours before school starts. They were here every morning from 7:00 to 7:45 and after school until 4:30. Each of the sixteen members usually participate in one special event along with one other event, these including butterfly, freestyle, breast and back strokes. Out of the team this year only one member, David Owen, took part in diving competition.

To obtain a varsity letter in swimming, a certain amount of points are needed from each meet. For this reason it was necessary for the members to be in attendance at as many meets as possible. Also, this helped the team to qualify for division and state competition.

MER-MAIDS

If you attend a swim meet you can see any of these girls jumping away from a starting splash. Their duty is to time the swimmers and help keep score at meets. They are given a party when chosen to start off their season of helping to publicize for the swim team.

See ID in back of book.

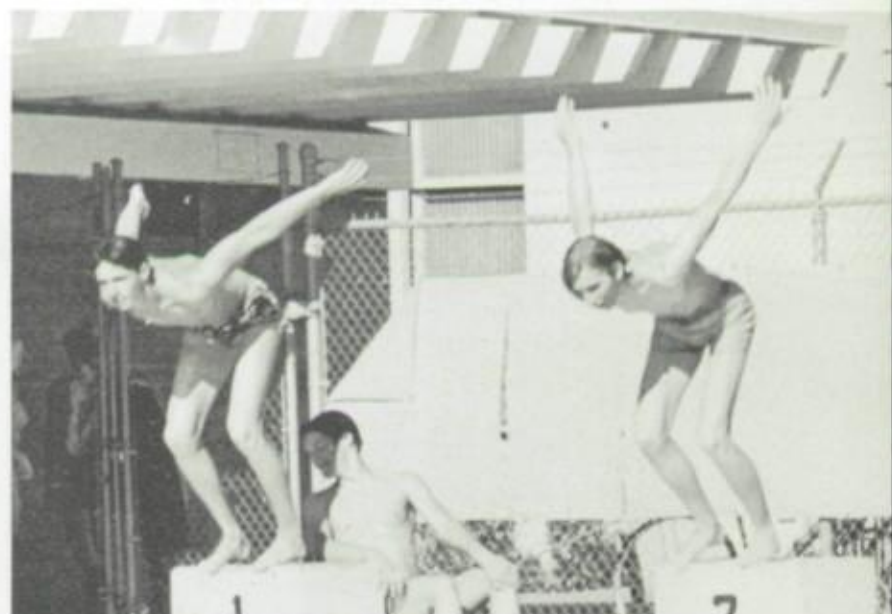

And they're off! Stretching to make every inch count the Varsity Swim team practiced to make their take-offs perfect.

Practicing that strenuous and hard-to-perfect butterfly stroke, is Dave Kerr.

Trying to outdo each other at diving off the blocks are Richard Allinson and Jay Andrews.

RIFLE TEAM--MILITARY

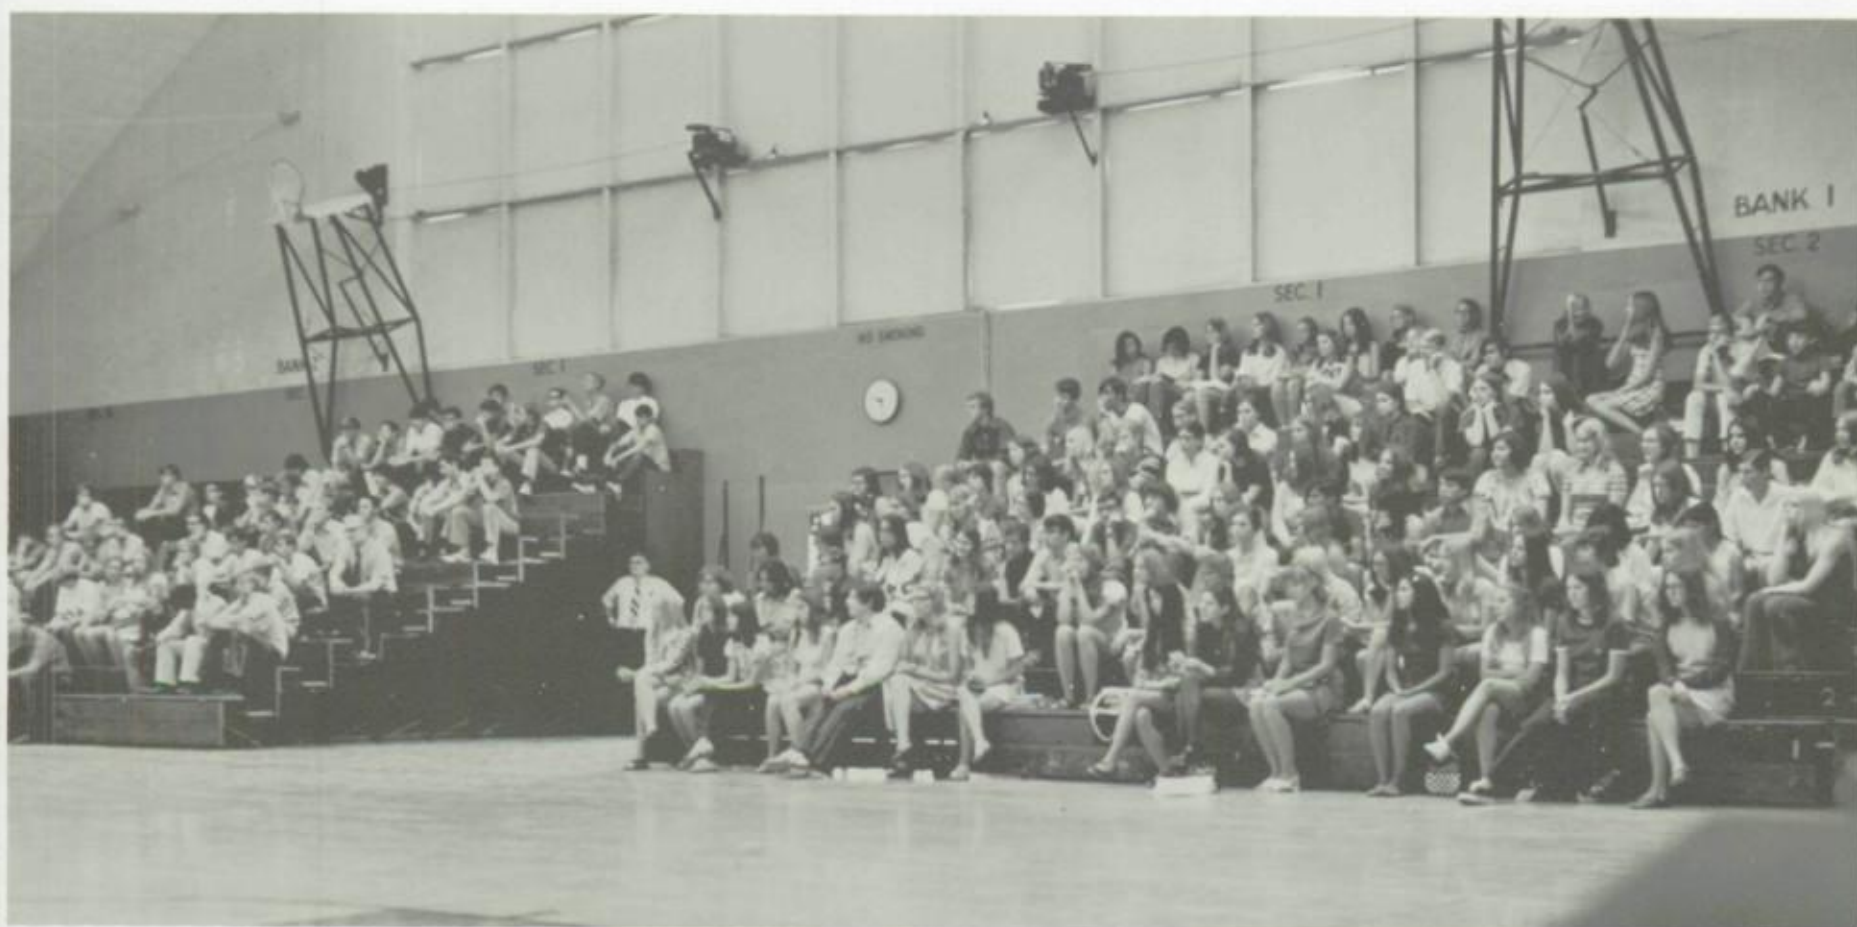

The Rifle Team is organized to stimulate competition between the R.O.T.C. cadets of different schools. Under the command of Cadet Captain Edward Barley, the Varsity Rifle Team traveled to Window Rock for the city and state competitions this year and went on to be the city champions.

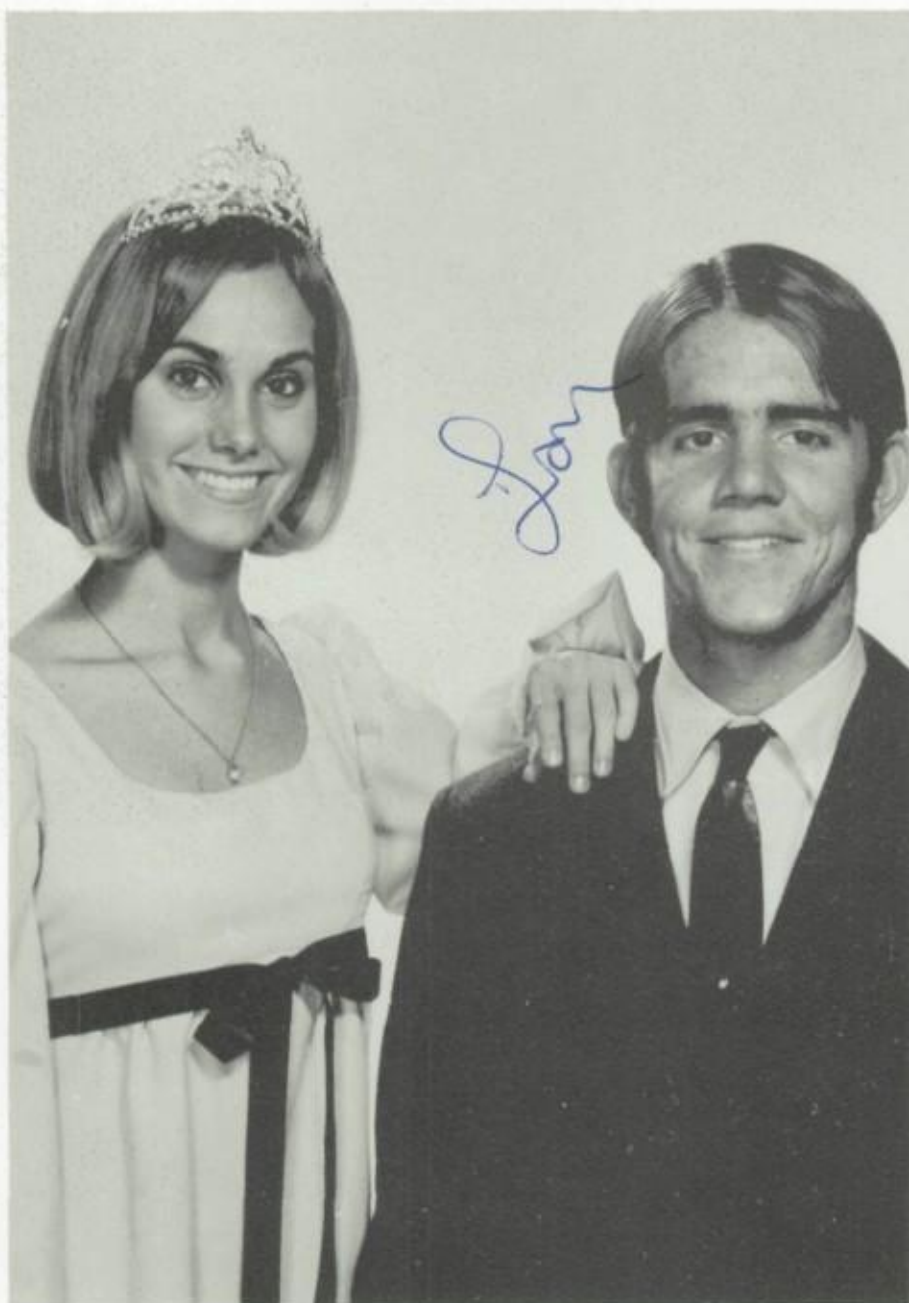

LIFE

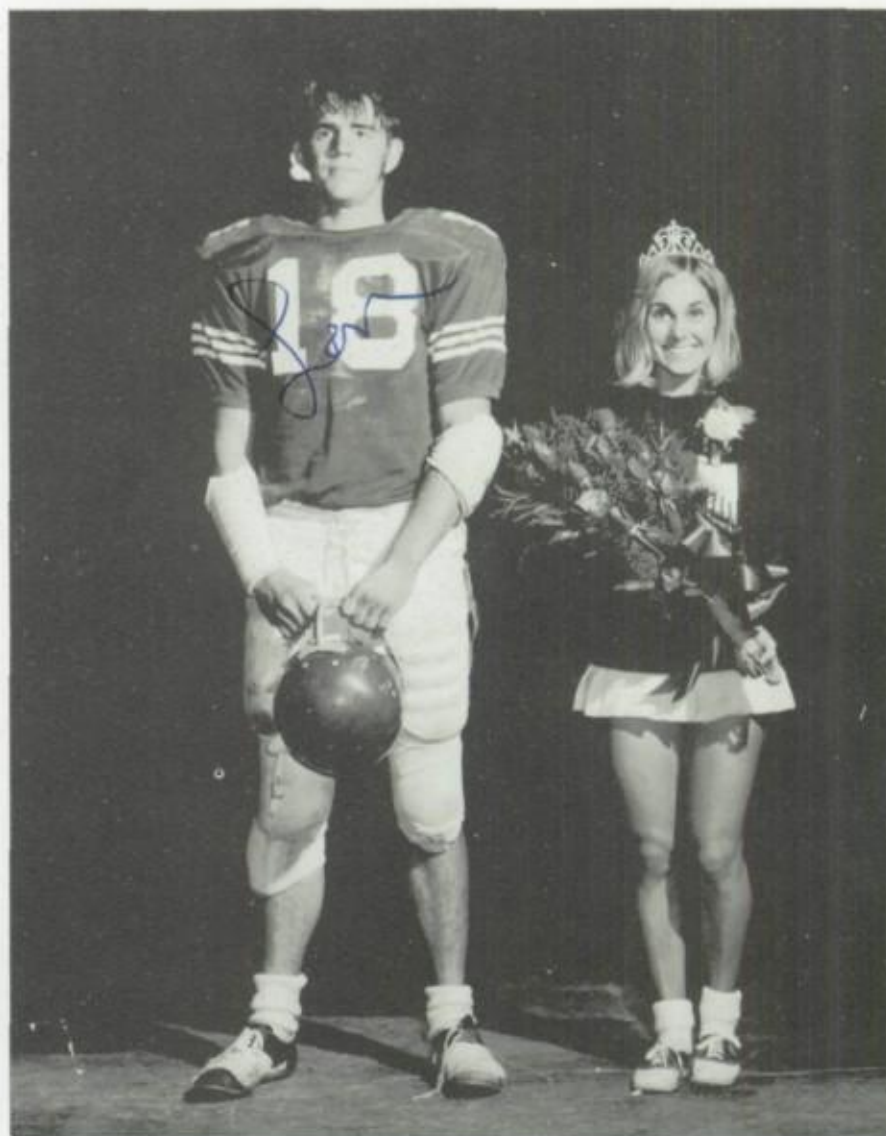

WILD, WILD WEST BRINGS

QUEEN, CAROLYN DARBY

KING, LON SAUNDERS

Happiness is being elected Homecoming King and Queen as Lon Saunders and Carolyn Darby were.

This year, the campus was raided by cowboys and Indians, as Homecoming Week took on the theme of "The Wild, Wild West." Pandemonium reigned as classes and clubs made a mad rush to create the best float. After the judging, it was announced that the Juniors had won in the class competition, and the German Club won in the club competition. Also, Pom and Cheer went through a stunning transformation, and, donning their holsters and war-paint, became dangerous cattle rustlers and scalp-hungry savages. Well, the scalps were finally obtained when Friday night, the Thunderbirds ambushed the North High Mustangs and came back triumphant, with a score of 14 to 7. Reigning over the week of festivities as our Homecoming royalty were King Lon Saunders and Queen Carolyn Darby.

HOMECOMING TO A PEAK

Lori Nelson's tears of happiness couldn't be restrained when she was announced fourth runner up to Homecoming Queen. Her sister, Robin, adds a wet face of pride.

QUEEN'S ATTENDANTS

It looks as though some of Vicki Hallabrin's joy is rubbing off onto Randy Roberts, as she was announced first attendant to Homecoming Queen.

Who says you need horsepower, when you have people power?

Mr. Wizard quizzes the 12th Princess to see if she is truly a "Princess."

Winifred becomes hypnotized by the sound of the Nightingale's singing.

With the production of this year's first play a great deal of talent was put to use, old and new. The clocks turned themselves back to the times of knights in shining armor and princesses in distress to present to us "Once Upon a Mattress". Two months of long practices, painting sets, fitting costumes, and listening to song after song, slowly built up this outstanding musical, which has been performed many times in New York theatres.

Undertaking the task of directing a musical takes an incredible amount of time to perfect and Miss Golman and the cast are certainly to be congratulated. An all school play, it was unusually successful, and received superior praise from all who attended it. The play was presented twice, November 6th and 7th, for anyone who wanted to see it. In charge of costumes and choreography was Miss Prather and the music was directed by Mr. Huff and Mr. Philabaum.

Exhausted after dancing the "Spanish Panic" the entire court drops, except for Winifred, who is ready for another round!

ONCE UPON A MATTRESS

A consoling kiss from Dauntless reassures Winifred of his confidence in her.

Rage breaks loose from Queen Aggravain when her darling son insists upon marrying Winifred.

Worrying about her test to become Prince Dauntless' wife, Winifred sings of her woe.

These adventurers enthusiastically board the bus which will take them on a fantastic voyage to Mexico.

Taking a break from their busy school schedule, these boys take time to converse.

Onlookers enviously inspect this boy's new purchase.

Paula Quade's face reflects the Christmas cheer that she must have felt at the Christmas Semi.

Don't move! I've lost my contact!

Hmm...that waitress sure looks familiar!

"Work, work, work!" Mrs. De Censo, Mr. Siegal's secretary, works hard to try to keep things straight.

Looks as though Mr. Siegle might have gotten a little indigestion at the Father-Daughter Banquet.

Betsy Haldiman looks as if her enthusiasm has diminished since the beginning of the Christmas dances performed by Advanced Dance and Productions.

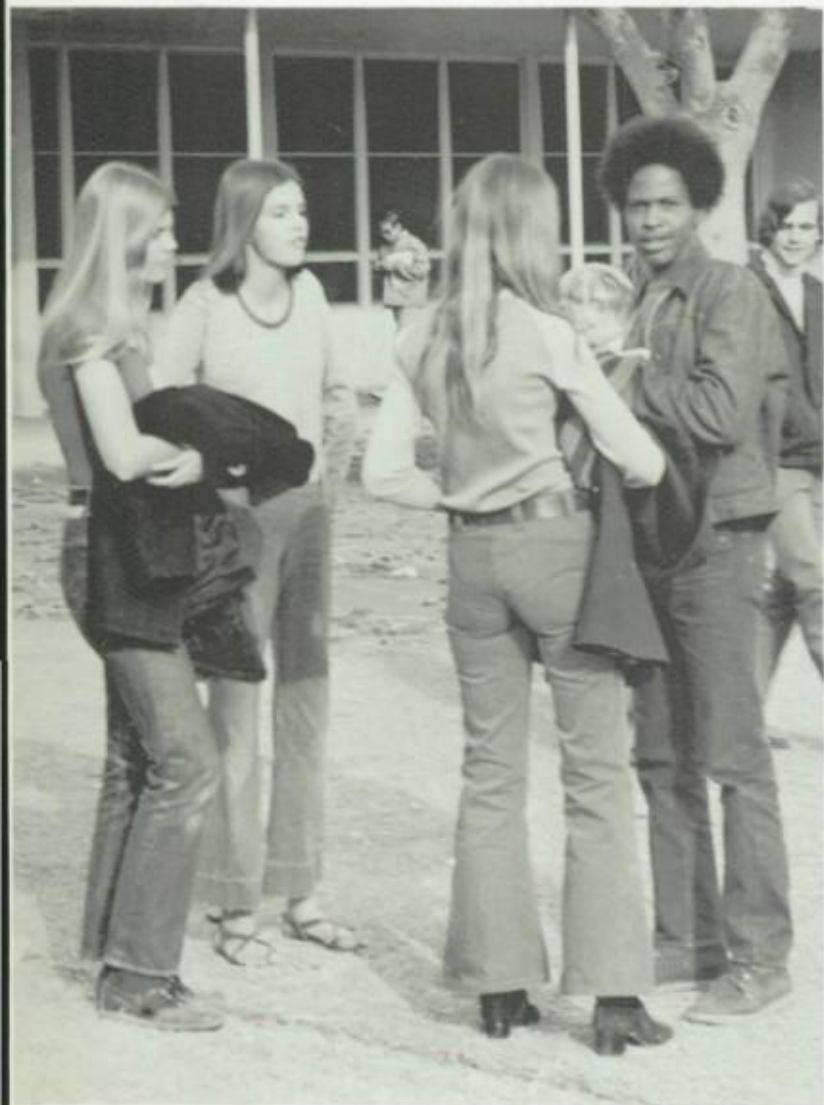

These three breathtaking chicks served as stunning waitresses for the Father-Daughter Banquet.

Three reindeer invaded the gymnasium to dance for P.E. classes during the Christmas season.

Terri Told and Stephanie Jett dance at "Santa Clause's Party" during a Christmas show for the P.E. classes.

Get-togethers like this are a common sight in the quad.

Seniors assembled in the auditorium to hear the two college representatives of their choice.

Mr. Naegle exclaims a warning in the croquet match between the Social Studies Department and the German Club.

Sophomores scrounge into every bit of shade to escape from the boiling sun.

Eenie, meenie, minie, moe . . . shall I take the goodies or the girl?

The Puff 'n Pant Prom was an excellent place for release of stored up imagination.

Other candidates wait their turn to speak while Doug Lee explains his qualifications for President to attentive fellow Freshmen.

The Home-Ec room proved to be a comfortable resting place during the Student Council Workshop.

Trying to catch a floating ping-pong ball seems to require a very concentrated effort on the part of Tom Holmes.

Treacherous Mr. Manseur chases a terrified Miss Golman around her mother, Mrs. Silberschlag, during the Student-Faculty Talent Show.

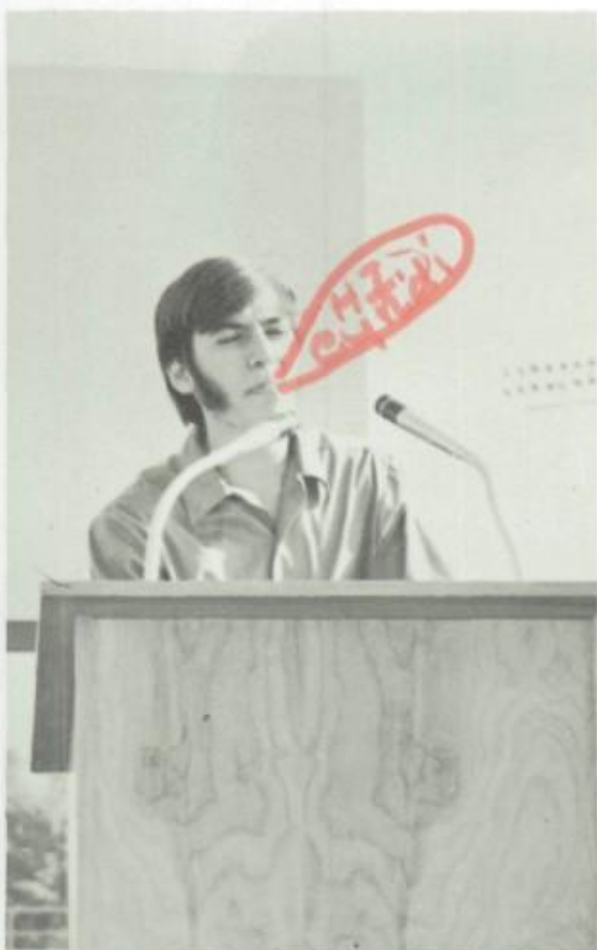

While at the Student Council Workshop, Tom Royden gives a dubious smile about whether or not this is the ideal way to eat a banana.

Mike Feeney consoles Mr. Seigel, Dave Small yells, and poor little Rick Richards can't seem to pull himself together long enough to do anything.

Only a mysterious pair of feet are revealed to Mr. Seigel when he takes a peek at the concealed monster.

Although Ron Cooper is heading the Magazine Assembly, he seems rather worried about the whole thing.

Hey, Danny! It's your thing, do what you like.

Standing in line was the most time consuming phase of registration. After all the confusing cards, papers, tables, and instructions, the students managed to register by this new method.

When a group of gansters this rough wants to sell you a magazine, how can you help but accept?

This girl seems to think magnetic fingers will pull the ball back during a volleyball game in P.E.

Conversing with a scarecrow can be a real experience, huh? This cat at the Puff 'n' Pant Prom seems to think so.

The Grapes of Wrath let loose with some music for the dancers at the Christmas Semi.

The whole crew from the star-ship Booby Prize wages a war in the West High Auditorium while in search of the gruesome gorn monster.

Traveling throughout Phoenix and Tucson to perform for different high schools was the Weber State Wind Ensemble.

Attending the Father-Daughter Banquet as guest speakers were Mr. Wheeler and Mr. Darby. Their daughters, Diane Wheeler, Carolyn and Lorna Darby sat with them at the table.

Lereva Mims obviously thinks that this guarding the halls business can get pretty boring.

These students have the opportunity to express and exchange their ideas and feelings about certain school issues during the class council meetings.

The great onrush of students going to second assembly must wait patiently before they can file into the auditorium.

Someone has to keep this amplifier company.

The Christmas Odyssey was a place to gather and meet new friends as well as old.

Steve Tidler, Dave Small, Rick Richards, and Mike Hansen add their share of time, energy, and concern to TAP by performing at the assembly.

Dave Small demonstrates his flying ability at the dance after our basketball game with Phoenix Union.

"My Darling! Save my poor house," Miss Golman seems to be crying to Mr. Neagle to help her. Mr. Manseur has come for the mortgage.

"Burrrrrrrr!" This 8th hour P.E. class seems to have chosen the wrong activity at the wrong time of the year.

Vickie Lorent seems to think its pretty funny that the 3rd hour Photo class had to move into the Yearbook room while their room was being painted.

Shirley Knight and Sandy Colabianchi enter the lobby during a lunch period with a rather large bag of goodies.

Karen Johnson and Robin Lewis show their pride in their new pet chicks.

Mr. Stitt teases Debbie Basehore in his fifth hour Anatomy class as the rest of the class laughs along with him.

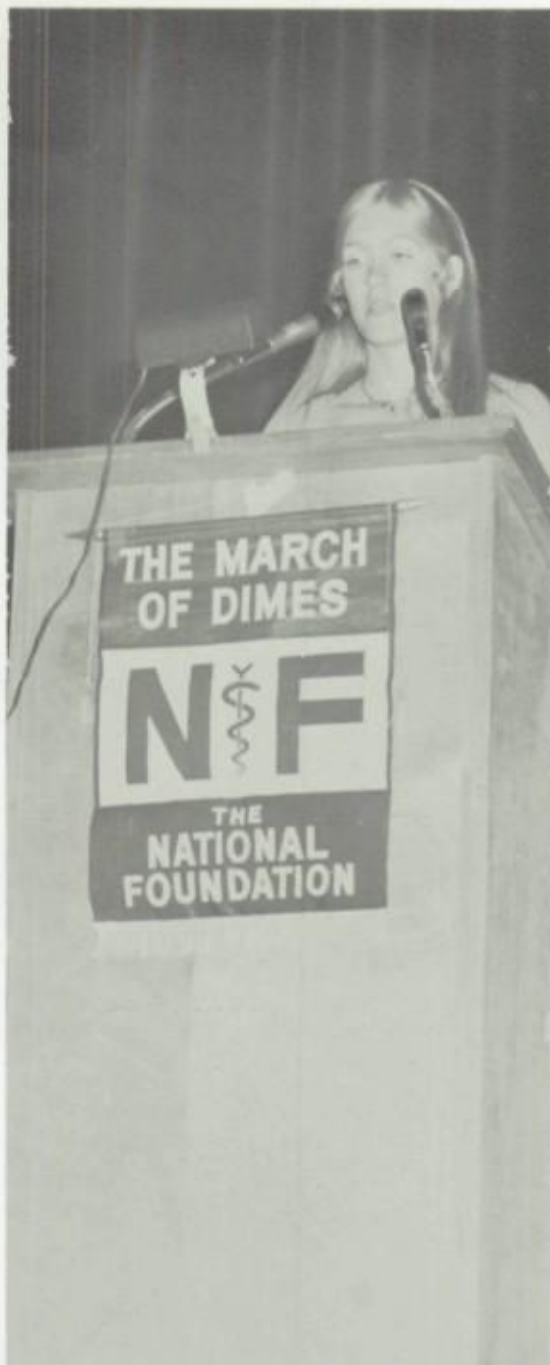

There is a wide variety of expressions as students prepare themselves for another long, hot stadium assembly.

Round and round it goes, where it stops nobody knows. This was just one of the exciting activities at the Rodeo Dance.

A lot of skill and creativeness went into the decorating of Mr. Fincher's reg room door.

Has Bill been eating feathers? He still seems to be able to dance with Susan Harvey at the Christmas Semi.

Mary Pierson gave a moving and touching speech at the March of Dimes Assembly.

Student Council members are ready and willing to get on their hands and knees to work toward the benefit of the student body.

The Freshmen stand up to be heard as they compete with other classes for a score on the Yell-O-Meter.

The fearless Freshmen, headed by Mary Kay Naughton at the mike, spell out their color for Homecoming Week.

At a Pep Assembly, the sophomores let loose with their enthusiasm and spirit.

Mr. Naegele takes a firm grip on a vacant chair, to steady himself during the Rodeo Assembly.

ALL-STATE MUSIC AWARDS

This year 27 West High students received All State Music Awards. Attending the festival in Tucson, these outstanding students had the opportunity to have their instrumental and vocal skills recognized. The Festival encouraged further

development of outstanding musicianship among high school students and brought to Arizona nationally recognized conductors to instruct, inspire and evaluate the accomplishments of students. This event provided a once in a lifetime

chance for these musically talented people to perform with other students their own age and display outstanding capabilities to interested and qualified critics. The work and devotion of these students is to be admired.

SCHOLASTIC ART AWARDS

For their accomplishments, students talented in the areas of fine arts and photography were pre-

sented with Scholastic Art Awards. Of the many photography entries, 15 West High students won state

awards. Only four entries were made in the fine arts category.

To our surprise West High did get a foreign exchange student after all. She was Nelly Winicki from Montevideo the capital city of Uruguay. She arrived here in January, and will only be staying until late in June.

Our schools differ greatly from the schools in Uruguay. Their grade school is six years, high school is four years, junior college is two years, and college is four or five years. They go to school six days a week and there are 12 required subjects, but they take each of them only every other day. They do not have the opportunity to choose their subjects, as we do. There are no school activities such as clubs, dances, plays, etc. But their most popular game is soccer and they play against neighboring countries. At the end of the school year, if the students grades aren't good enough they must take an exam.

On Saturdays their dates consist mostly of dancing. They usually don't begin until 11:00 at night and are not over until four or five the next morning. The late hours are due to their late dinner.

When asked her opinion on her experience here, Nelly had this to say "With the closing of my year I want to thank you all at West High for your companionship, and friendliness. It was really you that let me see what America is all about, and helped me form my opinion of the United States. It is very hard to say good-bye to everyone, but the many friendships I have found will never be forgotten to me. This year has been a great and very interesting experience to me that will leave a lasting impression for the rest of my life. I hope that I have helped you know a little more about my country, and thus, fulfilled with the goal of Y.F.U. which tries: to communicate through us Foreign Exchange students in order to get a better understanding and break barriers between lands and people.

"I will always be indebted to Y. F.U. for sending me to America, to such a big and advanced country where I have seen and learned things I would never have been able to see and learn in my own country."

TOP 2%

This year, from the 612 graduates at West High, 13 students qualified to rank in the top 2% of the 1970-71 graduating class. This is usually a Senior honor, but through a great deal of concentrated effort, Robin Clark, a junior has achieved this position in addition to being able

to graduate after only six semesters. These scholarly students have worked diligently, not only their senior year, but also the three preceding years. Self-discipline along with long hours of studying were important ingredients for anyone who earned this honorable title.

This position can be very helpful when entering a college or university and the studying will certainly prove to be well worth their effort. These students are to be highly congratulated for their noteworthy accomplishment.

ANYTOWN

The first two weeks of summer can be very special if you have been chosen to attend Anytown. This is a sensitivity and human relations camp, organized to bring many different youths together from all over Arizona to discuss the many aspects of life. Each person is given the opportunity to express his or her feelings, views and convictions, concerning religion, home, politics, and personal life. They are encouraged to listen, to try to understand and to learn from other individuals attending the camp.

Two one week sessions are held and the youths attend one, according to their ages. About 200 students make up each camp, and that can be a lot of brotherhood. Dances, sing-alongs, workshops, skits and sports activities are just a few of the activities held. Anyone is eligible to apply to go to Anytown and partial or full financial assistance can be given to those who need help in covering the \$50.00 fee.

BOYS AND GIRLS STATE

This unique program is to help spread, to a portion of Arizona's youth, the functions, duties and laws of a state, by letting them operate their own. A mock government is established, officials and officers are elected and laws are written to be abided by. As a self-governed city, the students are placed in similar situations and are taught to cope with the problems that may arise. The entire program is non-political so that they can be allowed to function under their own form of government and develop their own party platforms. Boy's State is held at NAU and Girl's State at U of A, both lasting from the 12th through the 18th of June. Anyone having completed their Junior year in high school and having a good standing is eligible to apply.

FIGHT SONG

There they go, to conquer the foe,
Our team today, will fight its way
To victory and honor so dear,
Come on let's give a cheer —

RAH! RAH!

Stand back, the Thunderbird pack
Is ready to fight for maroon and white.

So, Rickety Rax co-ax, co-ax

Sis boom Bah!

To do or die, for old West High
We must fight on to victory. Hey!

As you enter into our lobby you can not help but notice the flags that line the walls. These flags have been displayed for a purpose. They serve to represent all the foreign exchange students who have come to West High through the American Field Service and the Youth for Understanding programs. In the past, these programs have proved to be very beneficial for both the foreign exchange students and the people at West High. It provided the opportunity to bridge the cultural gap and to bring a better understanding among the different countries. In 1953 West High was honored to be the first high school in Arizona to have a foreign exchange student.

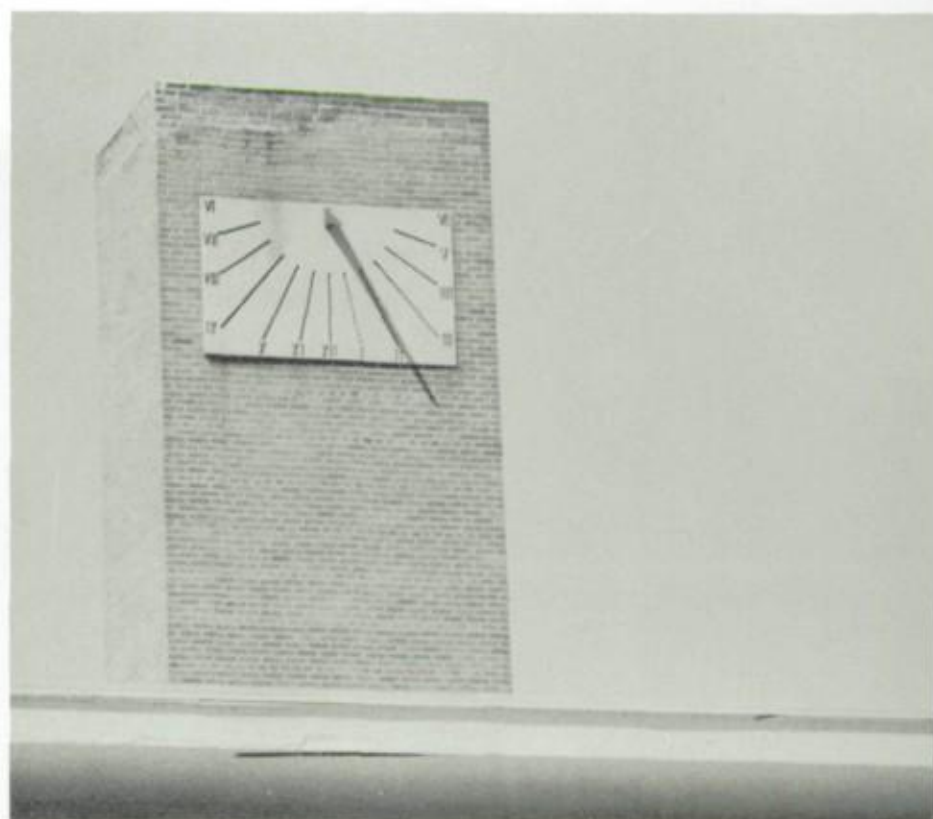

The sundial is an ancient device used as early as 1500 B.C. by the Egyptians, the Chaldeans, and the Hebrews. It is the earliest example of the application of man's knowledge of the apparent motion of the sun across the sky. The greatest development of the sundial came after the beginning of the Christian Era in the first century A.D. Many students are unaware that we are endowed with a sundial which overlooks the quad. It is somewhat of a mystery as to how and why it was built but it has been a part of West High since 1949. It is from the sundial that the school paper derived its name.

WEST HIGH

AVENUE OF FLAGS

SUNDIAL

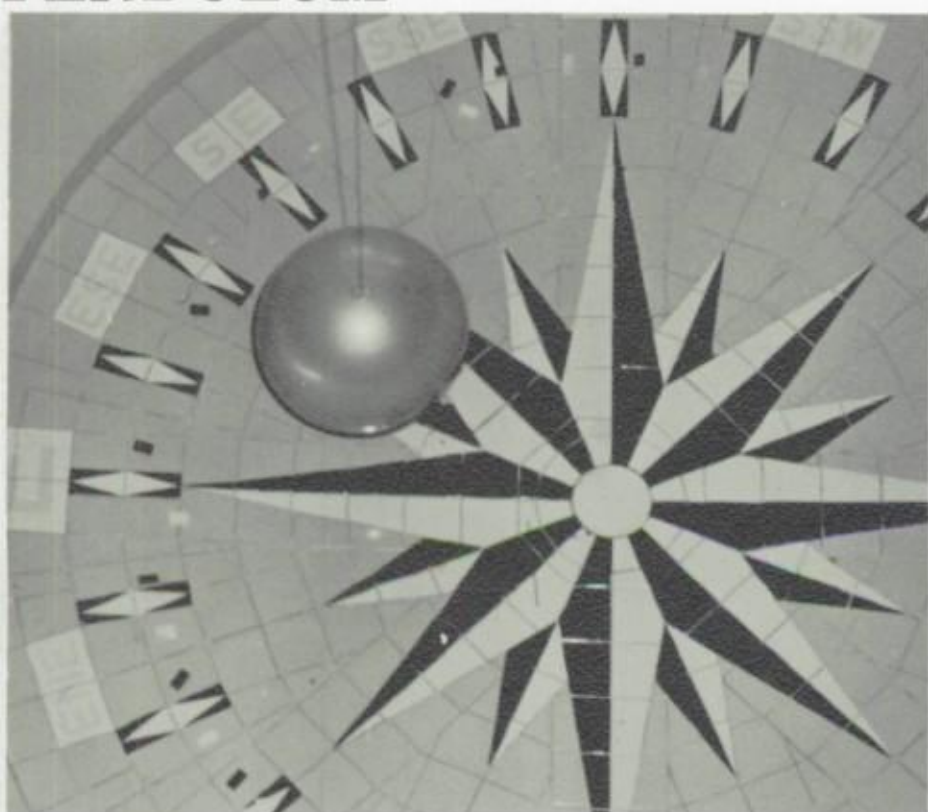

TRADITIONS

ALMA MATER

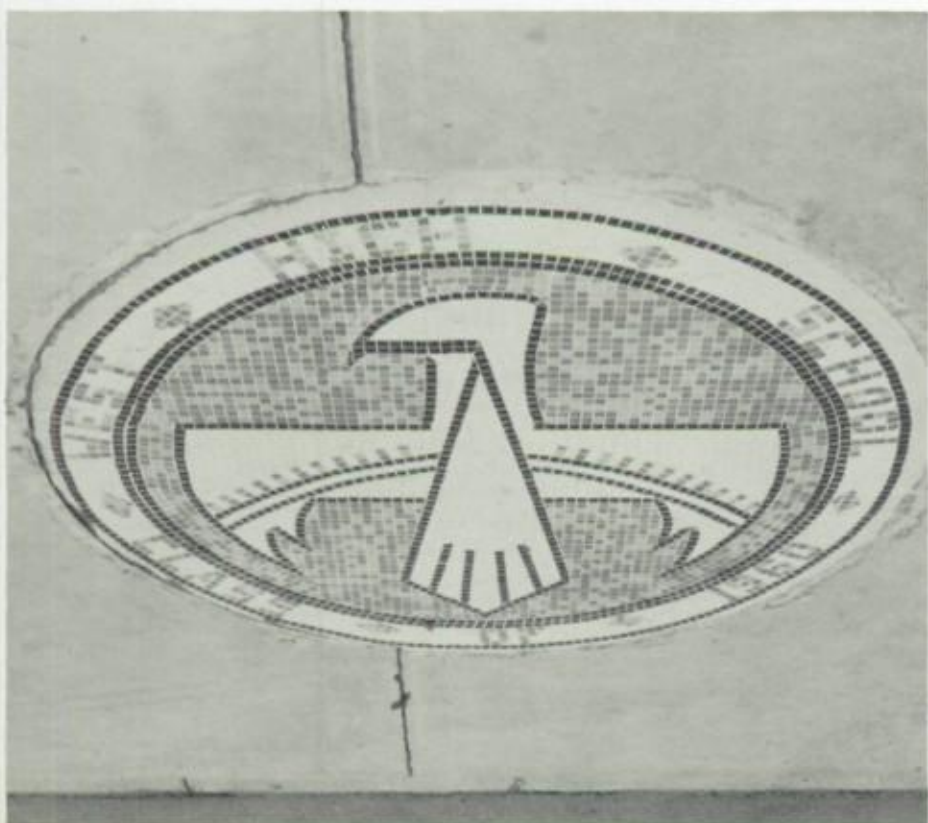

Hail Alma Mater
Hail to thee.
Loyal to West High
We will ever be.
Proudly our banners wave,
Proclaiming our might;
Cheer all together
For MAROON AND WHITE.

PENDULUM

The pride of West High is the pendulum used to illustrate the earth's rotation. This law of nature was discovered by Leon Foucault, a French physicist, in the 19th century. He allowed a 200 foot pendulum to swing freely in any direction from the roof of the Pantheon in Paris. It never retraced its path but always deviated to the right. Ten years ago a former West High teacher, Dr. Thorpe, and his students designed the apparatus found in our lobby, contacting various agencies to donate labor and materials. We are the only high school in the nation to have such a mechanism. It will later be transferred to the new science building, which is to be started on this year.

THUNDERBIRD

One of the distinctive features of West High is the Venetian glass mosaic of the Thunderbird which is located in front of the auditorium. This attractive figuration, which was given to us by the graduating class of 1960, is the emblem of our school. The Art Department, with Noreen Willis in charge, planned, designed and laid the image into the sidewalk in front of the building. Since that time a number of traditions have been established, among them the custom of not stepping on it. During the past years, the Key Club has taken on the tedious task of cleaning it with a toothbrush from time to time.

Two familiar faces that are ever present at all our games are Carolyn Darby and Susan Harvey.

Quite a few odd characters turned up at the Girls League Puff n' Pant Prom.

Mr. and Mrs. Harry White spent an enjoyable night at the 11th annual Arizona DECA Awards Banquet held on March 20 in the Del Webb Townhouse. Ed Cohen won 3rd place in the state for D.E. student boy of the year.

Many students observed treasures from distant lands during Cultural Awareness Week.

Finding the waiting in line a little tiring, some students find this picnic table to be a handy resting place.

Two proud mothers watch their daughters perform in the Junior Miss Pageant which was held in the West High Auditorium. Through this pageant, money was donated to the Music and Drama Departments.

Mr. Philabaum introduces Shirley Ingram before she does her solo during an assembly.

Mike Feeney, John Korinek and Mark Cochran evaluate the Yell-O-Meter.

Paula Tucker laughs off her embarrassment of making a mistake while announcing a cheer at the Football Assembly.

Belen Abeytia stares intently at her friend to try to learn a new trick with her tongue.

At Mr. Marshall's signal the band starts playing at a stadium assembly.

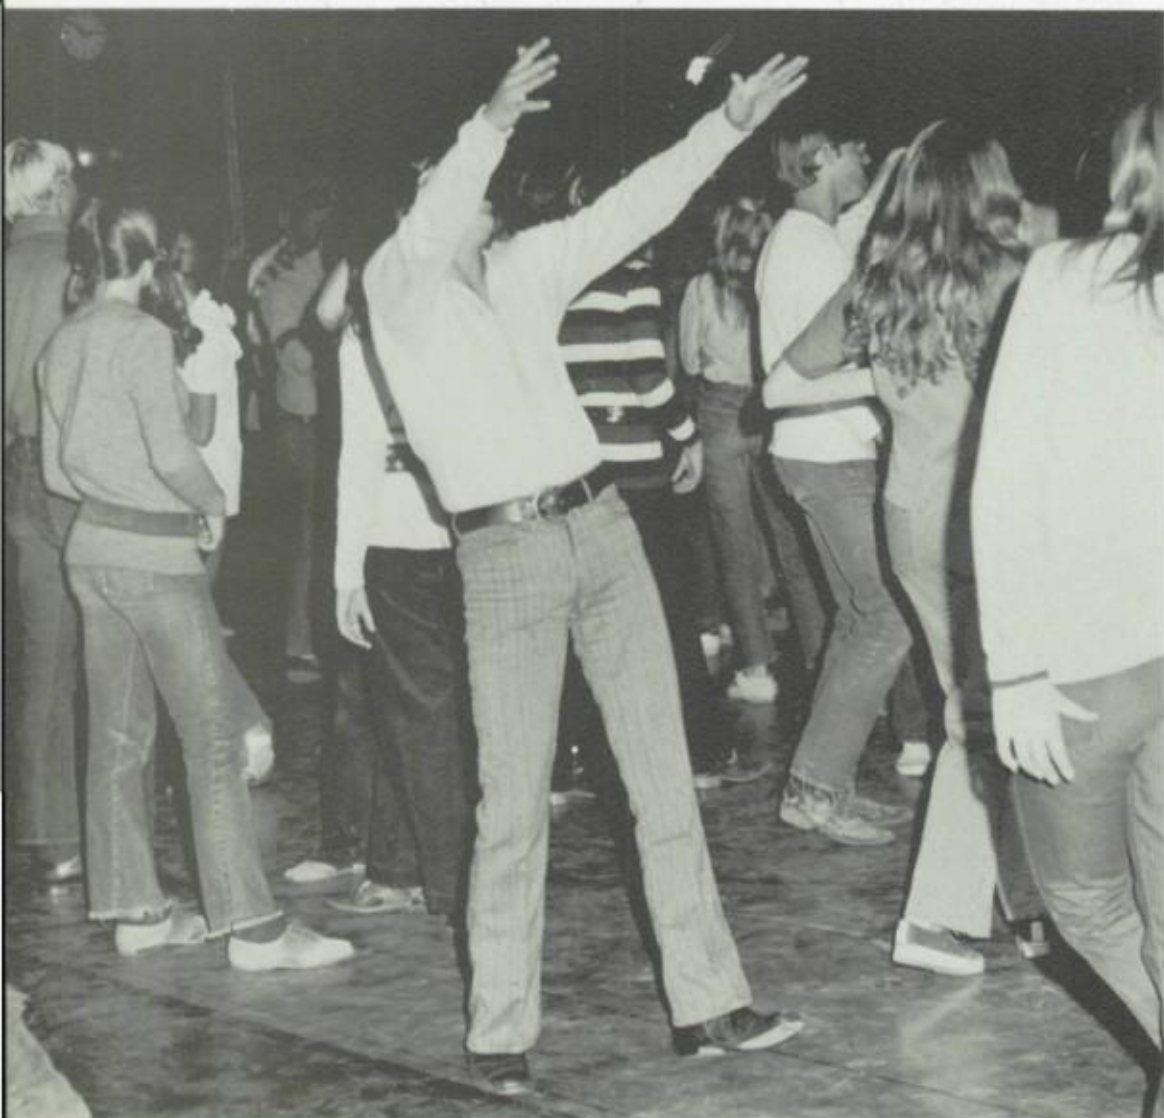

Following her clarinet music to deep in tone is Debbie Campbell of the band.

...and then he played "Pictures at an Exhibition".

It looks like Pete Ehrhardt is having a pretty rough time fitting into the Yell-O-Meter.

Danny Sanchez reaches out for an imaginary person while dancing at the Rodeo Dance.

Mary Mehlum takes a break at the Senior Bash, to watch the band. Keeping a vigil at the door is Mr. Naegle.

To raise spirit for measuring on the Yell-O-Meter, Paula Tucker leads a cheer at the Football Assembly.

Linda Yvoskis and Vicki Rysso, of the Varsity Archery Team, practice their shooting after school.

After a smelly day at school, there was still a large turnout at the Rodeo Dance that night.

John Korinek presents the deputies and attendants for Rodeo, with guns. They are (L to R) Mary Pier-son, Roger Black, George Branch, and Tom Fey.

Finding a secluded place on campus can be difficult, but some manage.

Pam Mariani fills Easter baskets for Skaggs in their stockroom. These baskets were done on a volunteer basis involving D.E. students. Fifteen cents for each finished basket contributed to the club treasury.

Stadium assemblies get pretty hot, but the West High Orchestra still manages to perform well.

Due to the small amount of rain this year, outside life was more frequent, drier and enjoyable.

Cindy Betts and Debbie Dorman get that frustrated worn out look after helping confused underclassmen at Registration.

Darryl Ram looks up to see how the light show is progressing. (Can you dig those colors?)

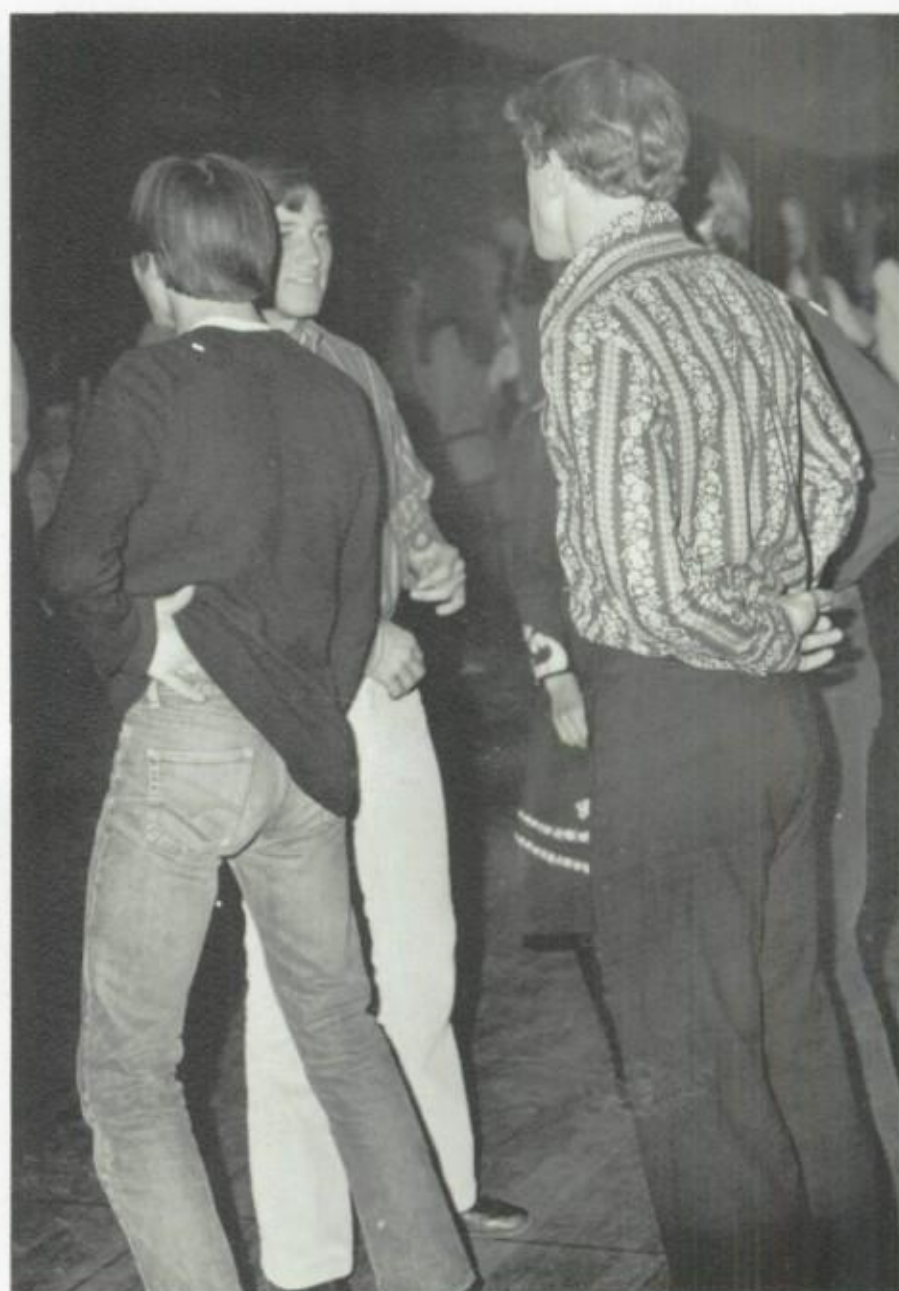

Telling about her summer in a foreign land is Nancy Shimer, at the A.F.S. Assembly. Also speaking at the assembly were Helen Hermann, explaining how it was to have an A.F.S. student live with her, Mark Cochran, John Korinek and some A.F.S. students from other schools.

Senior, Pam Mariani, escorts some underclass friends into the cafeteria for food during the Senior Bash.

The Senior Bash provided a meeting place for long lost friends, (L to R) Sande, Pat, Kelsey, Debbie and Lois.

Discussing the Bash are seniors, Rick Richards and Dave Lewis. What a beautiful back.

Susan Harvey finds something very interesting on the lobby ceiling while her friends chat.

Dale Fulcher helps load a truck of Christmas food for needy families while his sleepy friend Larry Pole, stands by.

Jane Compton portrays a boy walking without his crutch in "Amahl and the Night Visitors."

Mr. Suddarth helps direct traffic in the gymnasium during this year's new system of registration. It lasted three days with different second hour classes registering each day.

Syd Chandler seems to be in great demand of Tom Armstrong and Mark Emerson. (She's sure a buy over Ron Cooper!)

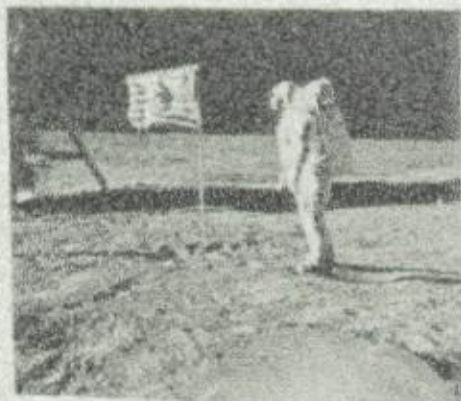

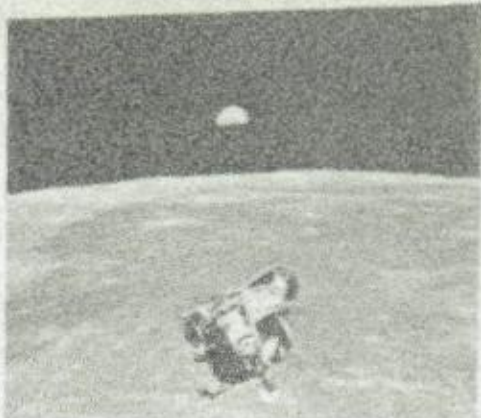

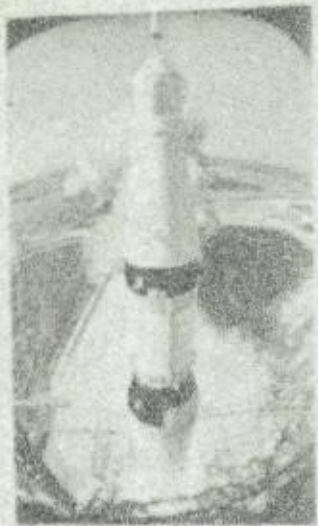

Mr. Marshall directs the band at one of the stadium assemblies.

Entertaining for a worthy cause, are Pam & Debra Jenson and Mike Hancin.

Many teary-eyed congratulations followed the announcement of Homecoming Queen nominees.

FACULTY AND ADMINISTRATION

PRINCIPAL

Dear Students of West High:

The academic excellence and cooperative attitude of students of **West High School** have contributed to making my present assignment one of the highlights of my career in education. The faculty of **West High** is capable, well-trained, and dedicated. The parents have proved themselves cooperative and interested in providing the best education possible for their sons and daughters. The present year has been an outstanding one for a number of reasons. It appears that there has been improvement in the communication and cooperation between students and staff. The existing climate on campus has been pleasant and conducive to learning. Student Government has provided many opportunities for the development of good citizenship.

One innovation this year has been that of open campus during lunch periods. This experiment has provided the students with an unusual opportunity to prove their maturity. The continuation of open campus will depend on the self-discipline of the students and their ability to assume this responsibility.

To those of you who are underclassmen, I urge you to make **West High** the kind of school from which you would like to graduate. It is up to you to create such a school by your own behavior, participation in extracurricular activities and by dedication to your studies. To those of you who are graduating at the close of the current year, I sincerely hope that you will have found memories of **West High**, and that you will feel that you are well prepared for entering your career or the college of your choice. You are graduating from an outstanding high school. The reason for your school's excellence is that the school has had over the years a wonderful tradition of high academic achievement, extensive participation in student government and a very dedicated faculty.

Harry E. White
Principal

MR. HARRY WHITE

ASSOCIATE PRINCIPAL

MR. JOHN SCHOOLLAND

A typical day of an Associate Principal requires plenty of hard work and dedication on the part of **Mr. Schoolland**. It is a necessity that he always be prepared to cope with any situations that he might encounter during the school day.

His job involves the essential operations that are the foundation of the school procedure. The assignment of rooms, the set periods and the size of classes have been predetermined through his office. Also, **Mr. Schoolland** is in charge of registration, maintenance, and the budget.

Since the time **Mr. Schoolland** has been involved in the administration, a number of new ideas have been introduced and put into effect. Punched cards used for attendance replaced the old method used two years ago, and administrative meetings are now open to representatives from the student executive committee.

When asked to give a few words of advice **Mr. Schoolland** stated, "Each student has his own opportunity to plan his future. The tomorrows are the days that haven't been lived yet, and you have to plan in advance how you want to live them. Each person has to do his own planning because he is the one that has to live his own tomorrow."

ADMINISTRATIVE ASSISTANTS

**MISS JEANNE
BAILEY**

**MR. FRANK
EDWARDS**

**MR. JEROME
SIEGEL**

Whether disciplining a student, solving a campus problem or just plain listening, the administrative assistants are always there. Their jobs, although sometimes seemingly insignificant, are very important. Being in charge of keeping the students in line is a very difficult job, and when problems arise an open mind must be ready, willing, and waiting. Assuming responsibility for all girls is Miss Jeanne Bailey. For the boys are Mr. Jerome Siegel and Mr. Frank Edwards.

BOARD OF EDUCATION

The responsibility of designing and administering all the policies within the Phoenix Union High School District falls directly on the shoulders of the Board of Education staff.

This board has the authority to hire personnel and to deal with any policies that might arise concerning books, teachers, or curricula. In addition, all budgets must meet their approval before they can go through.

Along with the reputable Dr. Seymour, who is retiring after this term, they have proved that they have the potentials needed in order to be worthy public servants. Throughout the year they have demonstrated their sincere desire to serve the taxpayers of this district to the best of their capabilities.

CAFETERIA

These women have spent the year planning and preparing hot lunches for over 1,700 students a day. They must start the meals at 9:30 everyday, then after everyone is fed, by about 7th hour, these people eat their lunch. Besides preparing lunches for the students, they also have the task of fixing lunches for the faculty.

DAY MAINTENANCE

The daytime maintenance men gave a big helping hand to the students and faculty with the upkeep of our campus. These men had a rough time during Rodeo Week. But, with the help of some students, ended up with a clean campus. They are to be congratulated on a fine job.

NIGHT MAINTENANCE

After everyone has gone home, these men stay and clean up the buildings. Their main concern is different from the day shift in that they see to the upkeep of the halls, and the dusting of the walls in the building.

Cramming for a next-hour test, eating a late breakfast, or just waiting around for your next class, the olive tree area is a reliable resort.

To provide for the refrigeration system in the new buildings, a long tunnel was dug to lay the piping.

SUMMARY & ACKNOWLEDGMENTS

This **WESTERNER** Staff has found that in compiling this Yearbook they have been through a complete educational experience. We have tried to present you with a book that could reflect this year of change. Open campus and the building of a new Science wing were the biggest topics at West. While in the National view the 18 year old vote became a reality. City wide there was the "Walk for Development"; then the new music scene with James Taylor and Elton John capturing the fame. We have felt that through these changes we have been influenced to produce the **1971 WESTERNER**.

We had sincerely wished the Senior portraits to have been done in color but due to a time limit this could not be done.

Many thanks to the hard working people that made this book possible: **Mr. Richard Zimmerman**, our advisor for the many hours of work and the much needed moral support; **Mr. Agee and Sherri Pretorius**, for the Sports Copy; **Joan Boss**, for her many corrections and helpful work at Community Press; **Mr. C. Johnson**, for the use of his Graphics Art equipment; **Mr. Hill**, for the alphabetical lists; **Mr. Marvel**, for the pictures of our underclassmen; **Mr. Fincher**, for the help with the typing of our Index.

Your Editor,

Lois Minor

Cyndi Sue, ^{rhyme}
What can I say to you? I'll think of something... such
as: you are one of the cutest, & most intriguing
girls I have ever met, & I'm really glad I did get
to know you a little bit in Speech & Human Relations.
But I wish we could have gottin' closer. We had
ducky teachers in both classes. They were good for
a laugh. I remember the bus trip to Flagstaff last
year. That was great fun. Small was rockin' out on
the way home, & you were the same sensual delight
you always are. I wish you would latch on to
a guy so that someone can enjoy being with you! (besides
Debby)
I hope we can go swimming together this summer,
or get soused or somethin'. Good Luck at big
Glendale Community next year. You'll drive the
guys wild, I'm sure. I'll be close by at 32nd
& Shea, so if you're on your way to the lake
stop by. Ducky, well stay super bitchen... it won't
be hard, and I'll latch you later.

not very hot
nice and

Cyndi,
I really enjoyed
sitting in church
and trying to find
you sitting way →
at the back. You and
Cyd both ~~was~~ always
made me laugh.
Really am glad I
had a class with
you this year.
Have fun at
Glendale. Good Luck

Cindy
I'm really
glad I got to
know you this
year. I remember
last year in anatomy
I was scared to talk to
you. I think you're really
sweet, please don't change. Randy

CYNTHIA -

GOD, what can I say? Four years I've known you
know and I've loved EVERY minute of it. YA know,
out of all the Seniors girls at this school, you've
GOTTA BE MY FAVORITE. WE had some ducky times
all four years, and it really makes me feel
BAD for it to come to an end. WE GOTTA stay in
touch in the college years. I'll send you my
address when I'm back in the corn fields at
college. Well CYNTHIA that just about wraps it
up. I hope your pool is open for me this
summer, cause I really want to see ya this
summer. Well BYE, BYE FOR NOW

Love ya always,

Mike

Cindy,
To my old
girlfriend with
the far out body face
and a beautiful face

YOV

HEE! HEE!
This summer
and visit we
off the football team
next year

come one to my house
I won't get picked
for drinking?

Love you
Love you
ooxx ooxx

Cindy
Well I've really
dug these years, and
All your really a good kid for ya
girl - even if I hope in you
the best of luck and the
future. Stay cool and don't
be too mad at me
for kidding ya.
love "John

CINDY
THESE FOUR
YEARS HAVE
REALLY BEEN GREAT
KNOWING YOU. I GUESS
CLARENDON WASN'T ENOUGH
FOR US SO WE HAD TO TEAR
UP WEST.
I'm really glad this
year is finally over and I hope
that we can keep in touch this
summer and next year.
HAVE A GREAT SUMMER

Well Betts, (Cynthia Sue) Pretty short, huh?

Always knew one day I would sign your annual. But 2 months late? There's no excuse! I just finished looking thru the annual and am sad that it is really all over with. But we can always look back and say we gave it a good going over.

Well I'll begin at the top. Sophomore dance when my dad picked me up and I gave you and Barbie and Patty all rides home! And I was that little freaky girl with the fall. My, my, have times changed! Never will know what happened to that fall either. Oh well. Need I not mention all those pieces of precious paper that we wasted on notes while we should have been listening attentively in class. HA HA

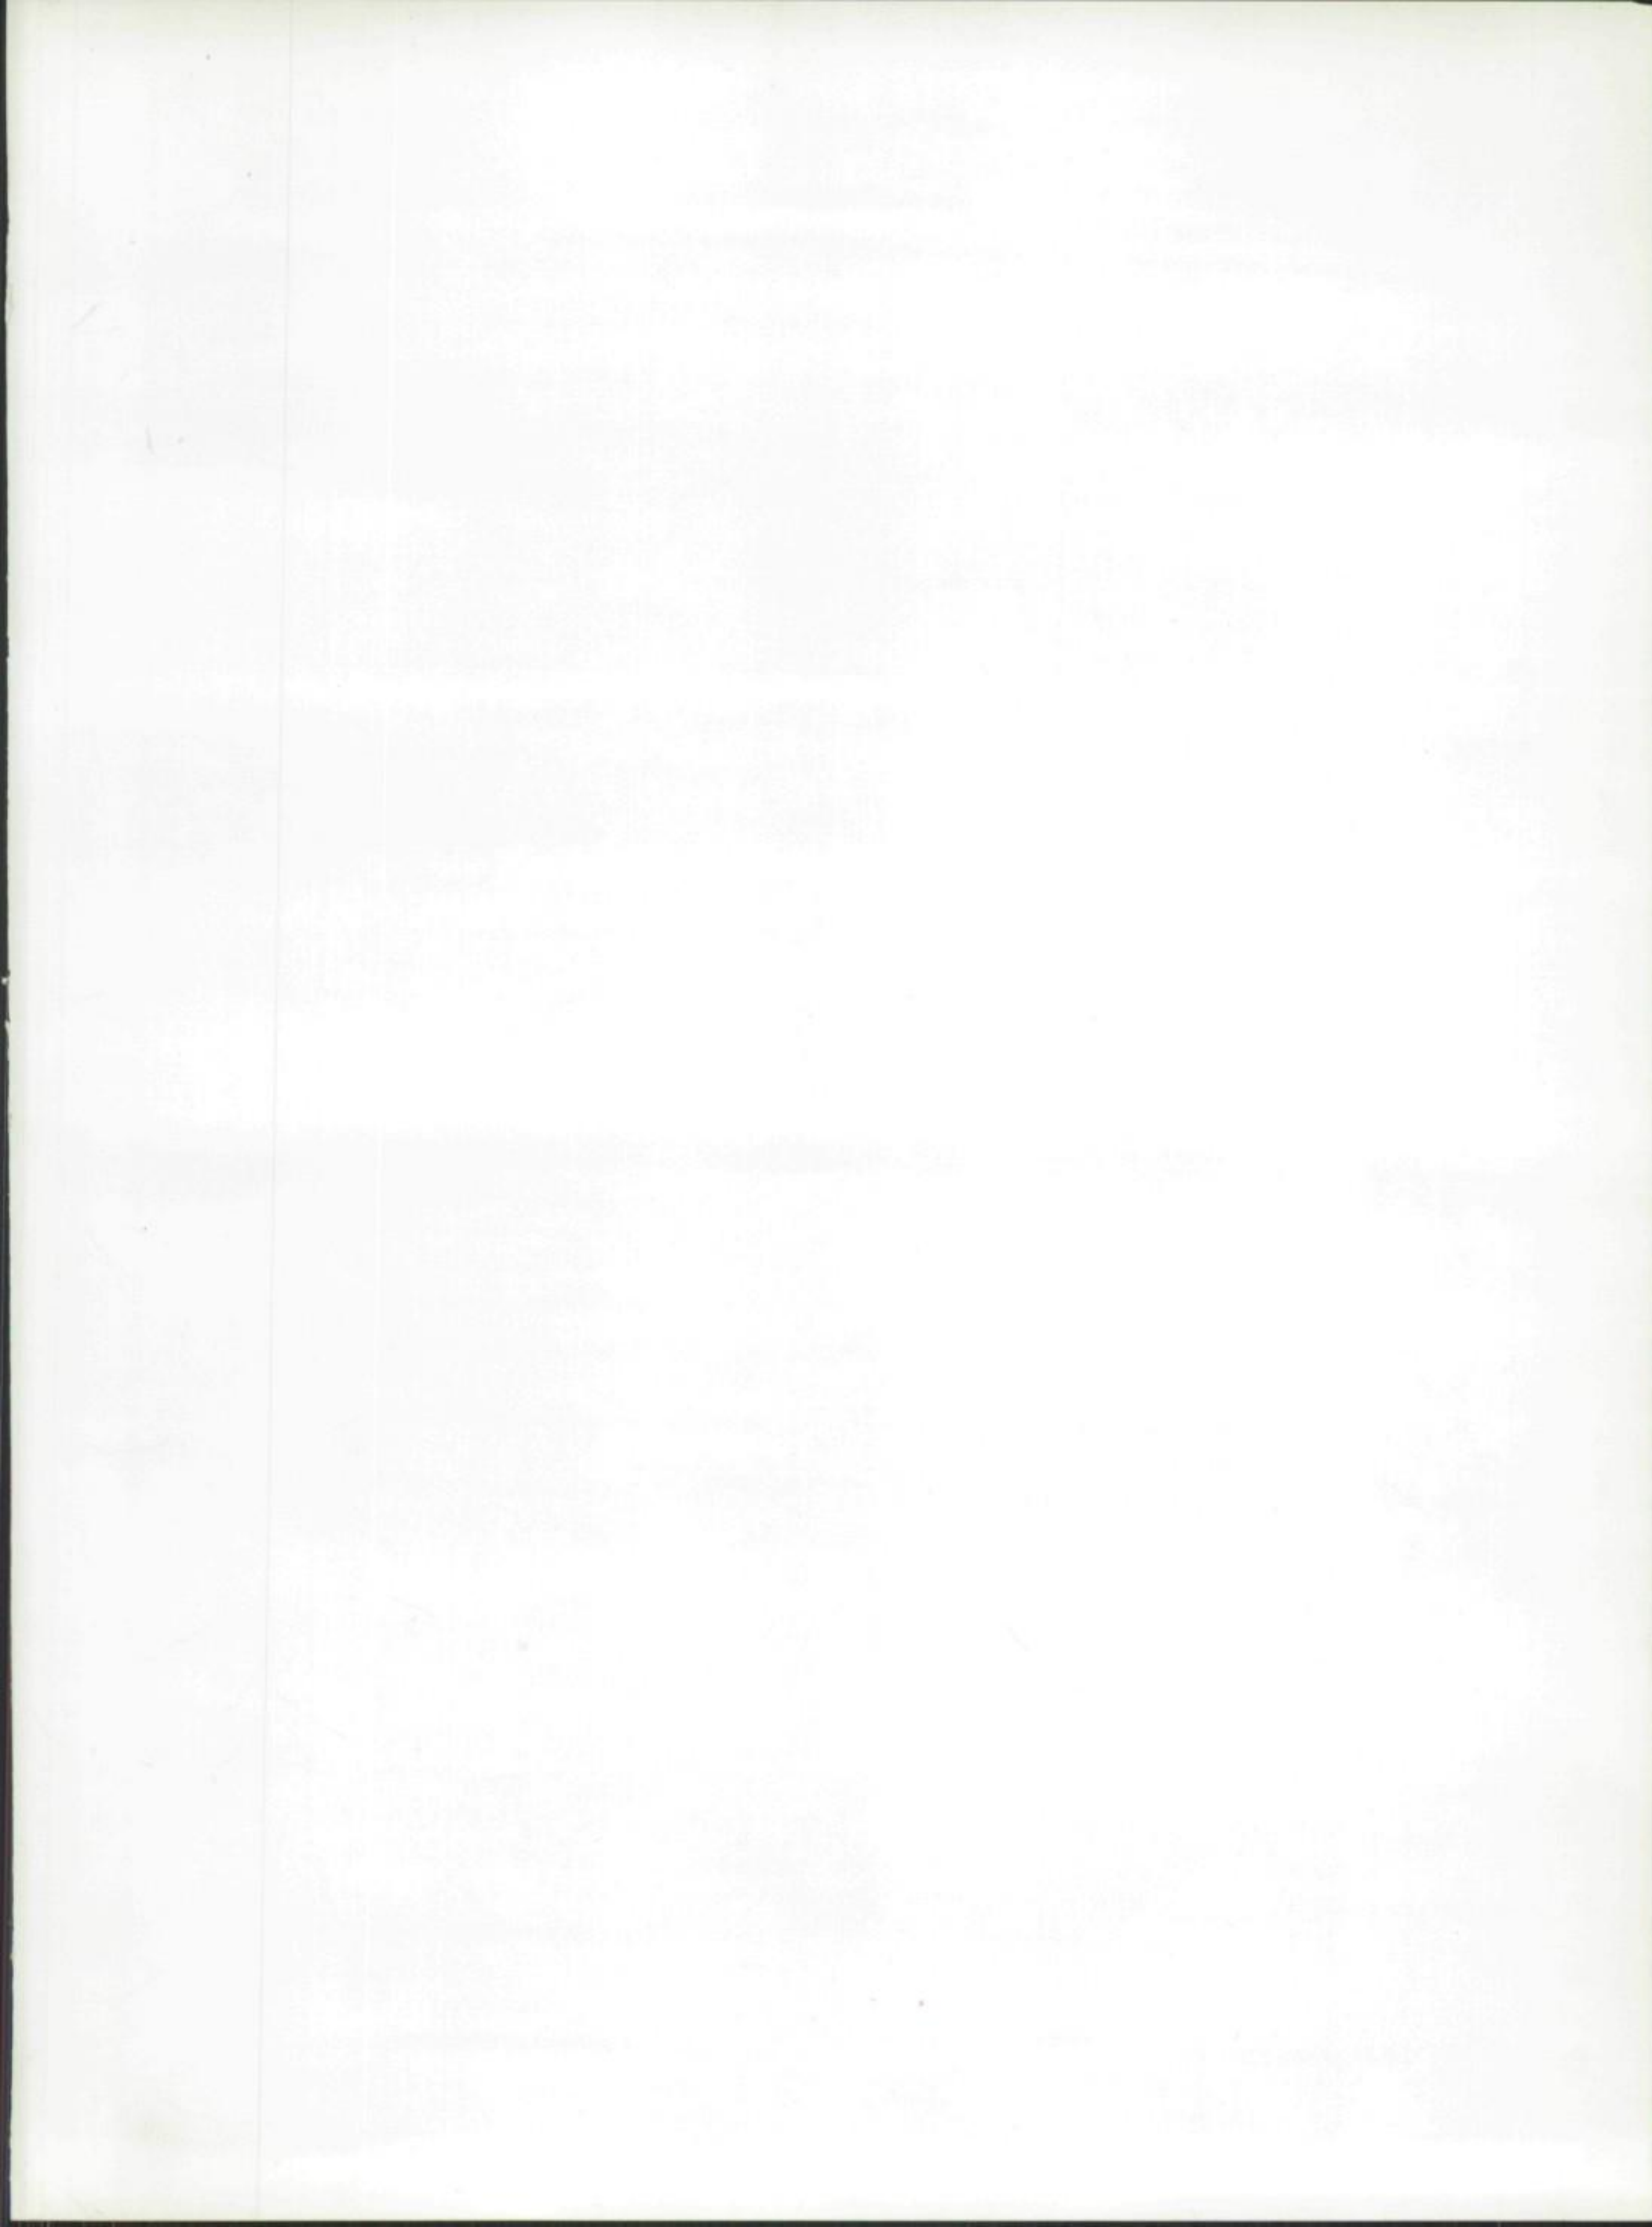

To make this more interesting I'll mention our little LOVE affairs of Dave Small and Bob (Leg) Cummings. Now won't we always look back and laugh?!? Moving on a few months to be exact December 12 never will forget that date. Remember Pepper Tree seeing Dan H. and Blair M. and to be married by the Frank magnificent milgrees!! Fun wasn't it?!?!?

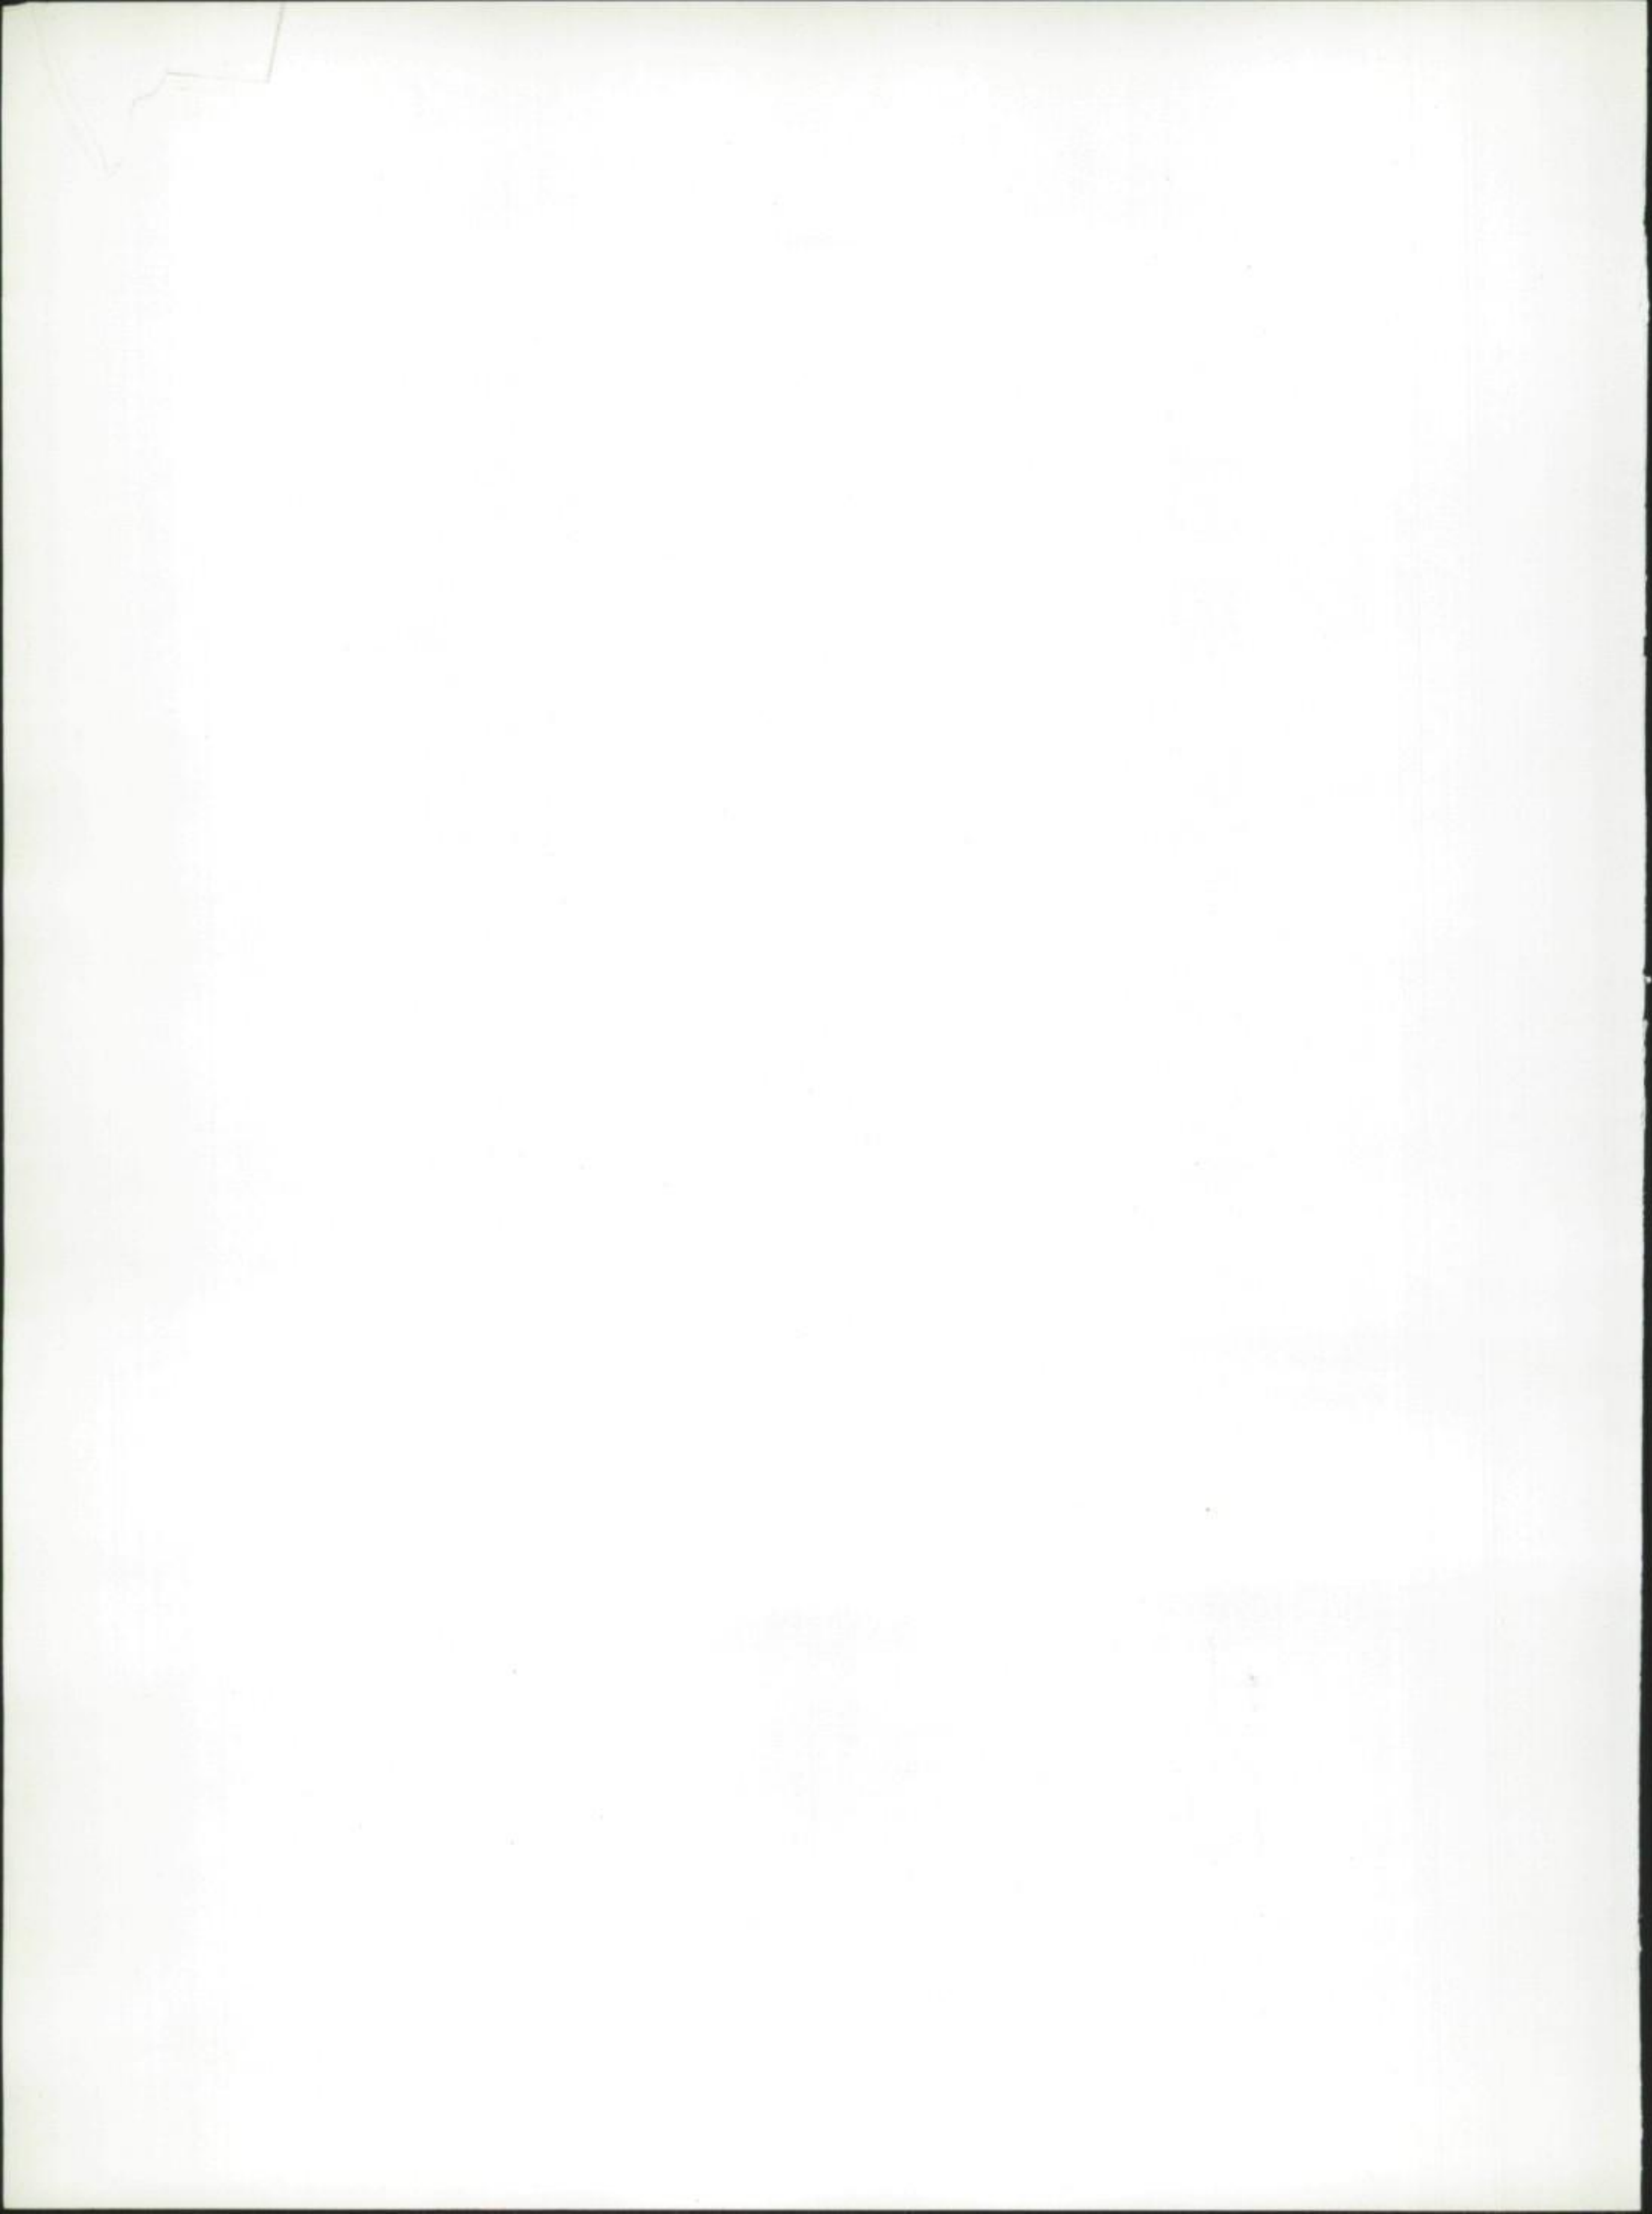

And then came the New Years Eve party! And when you can't be with the one you love, love the one you're with. Good ole Billy King. And Turner baby in her real neat super joc outfit. That shirt had to be the sleeziest thing I ever have seen.

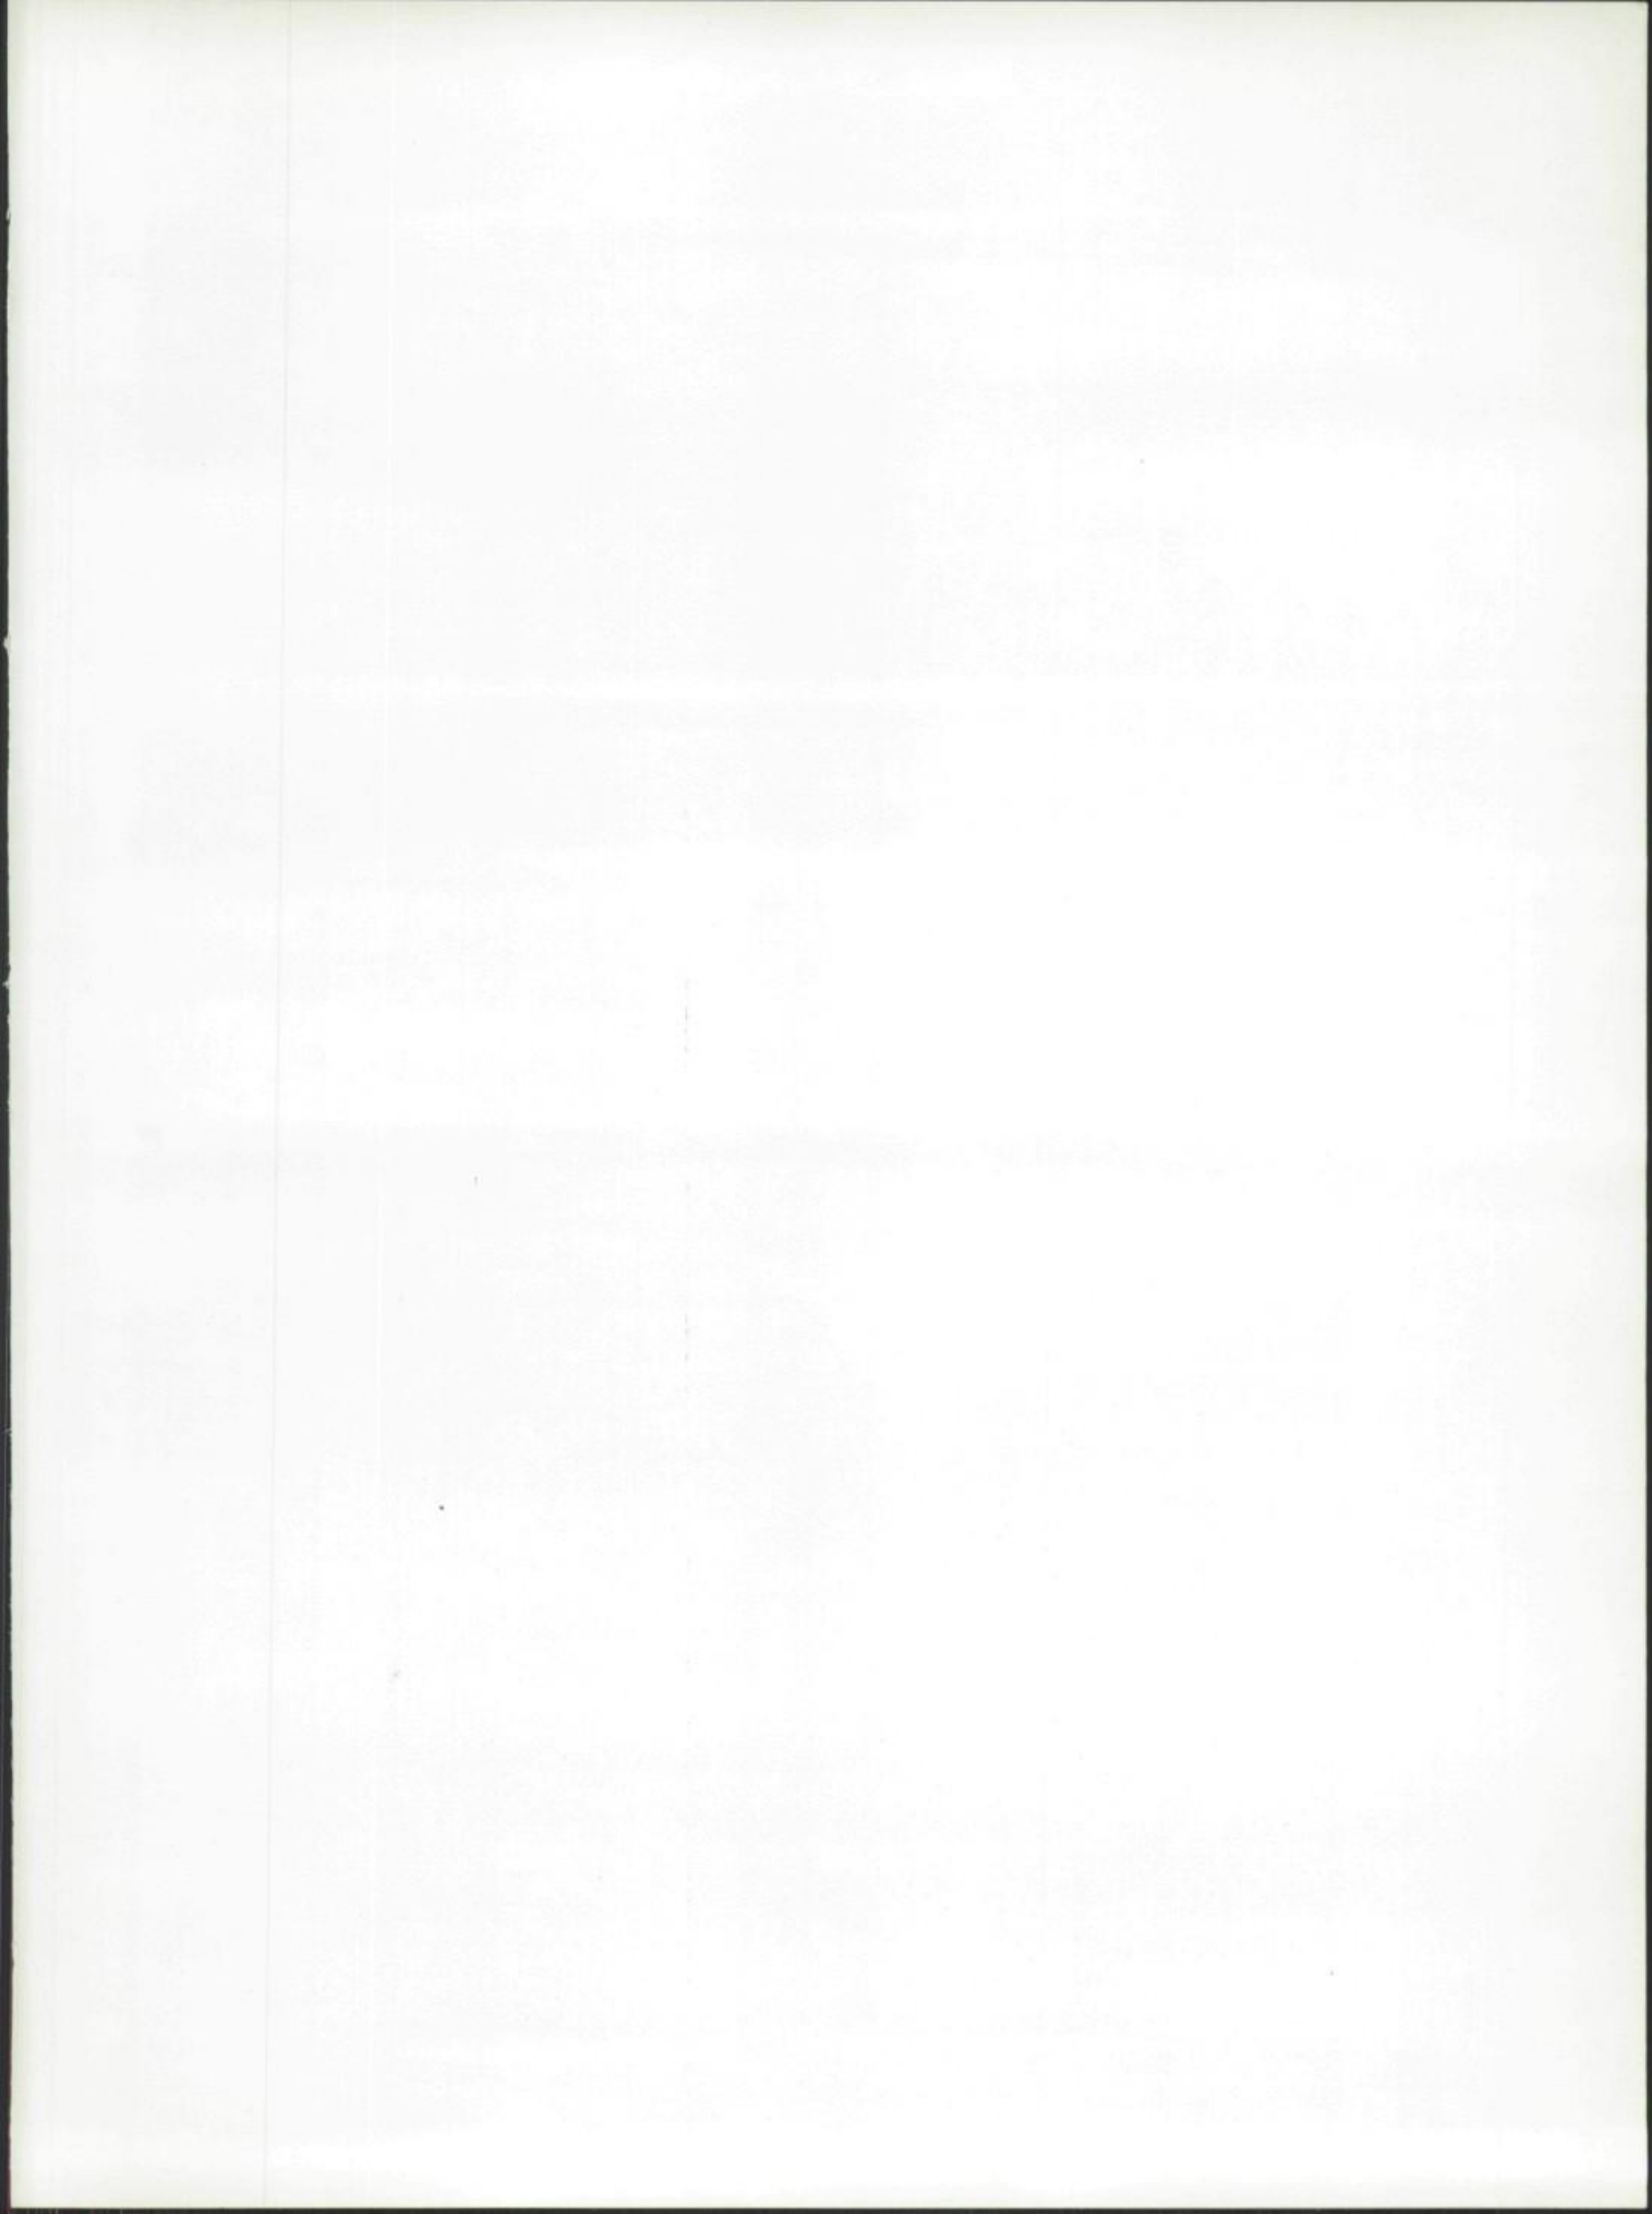

SENIOR BASH, VALENTINES DANCE - with Billy Seals and David Small and good ole Libby and Steve Emerson when they help themselves to the back of my car!

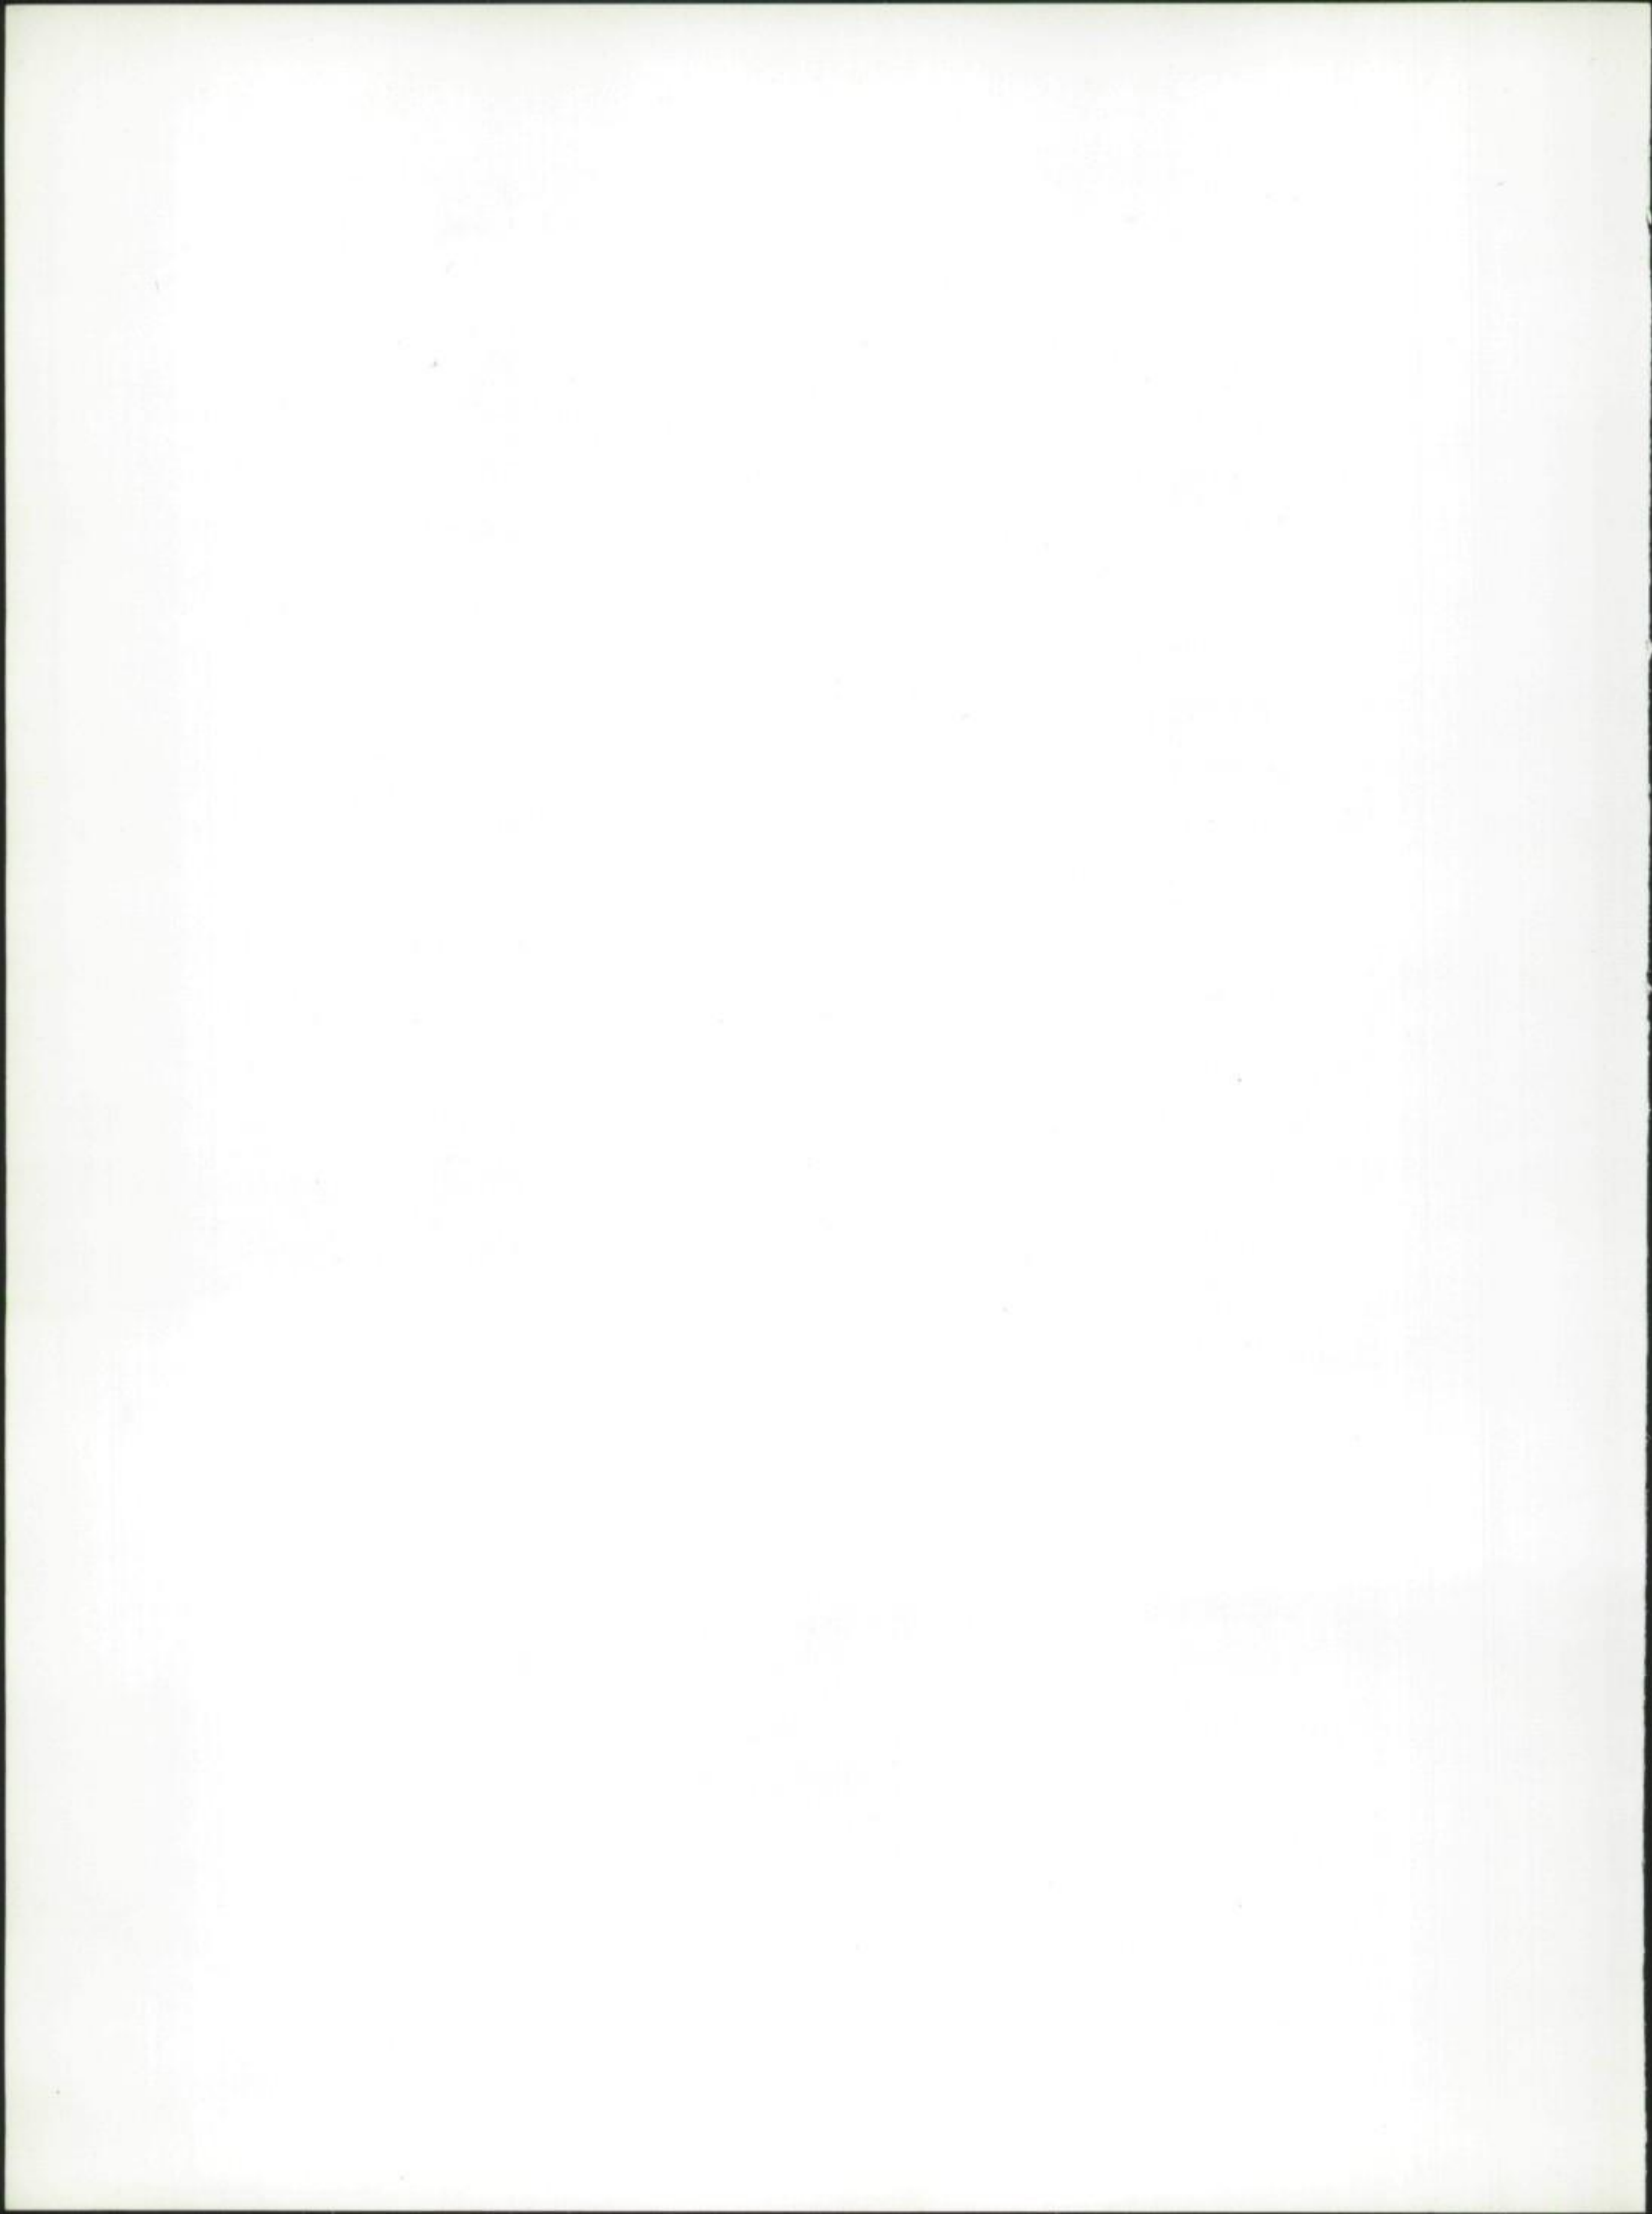

And the best GRADUATION DAY!

Sad but very meaningful. Well the years went by very fast but were full of fun. I am really glad that we became best of friends and know that we will always keep in touch! Be good and think of me. Love,
Deb (DORBY)

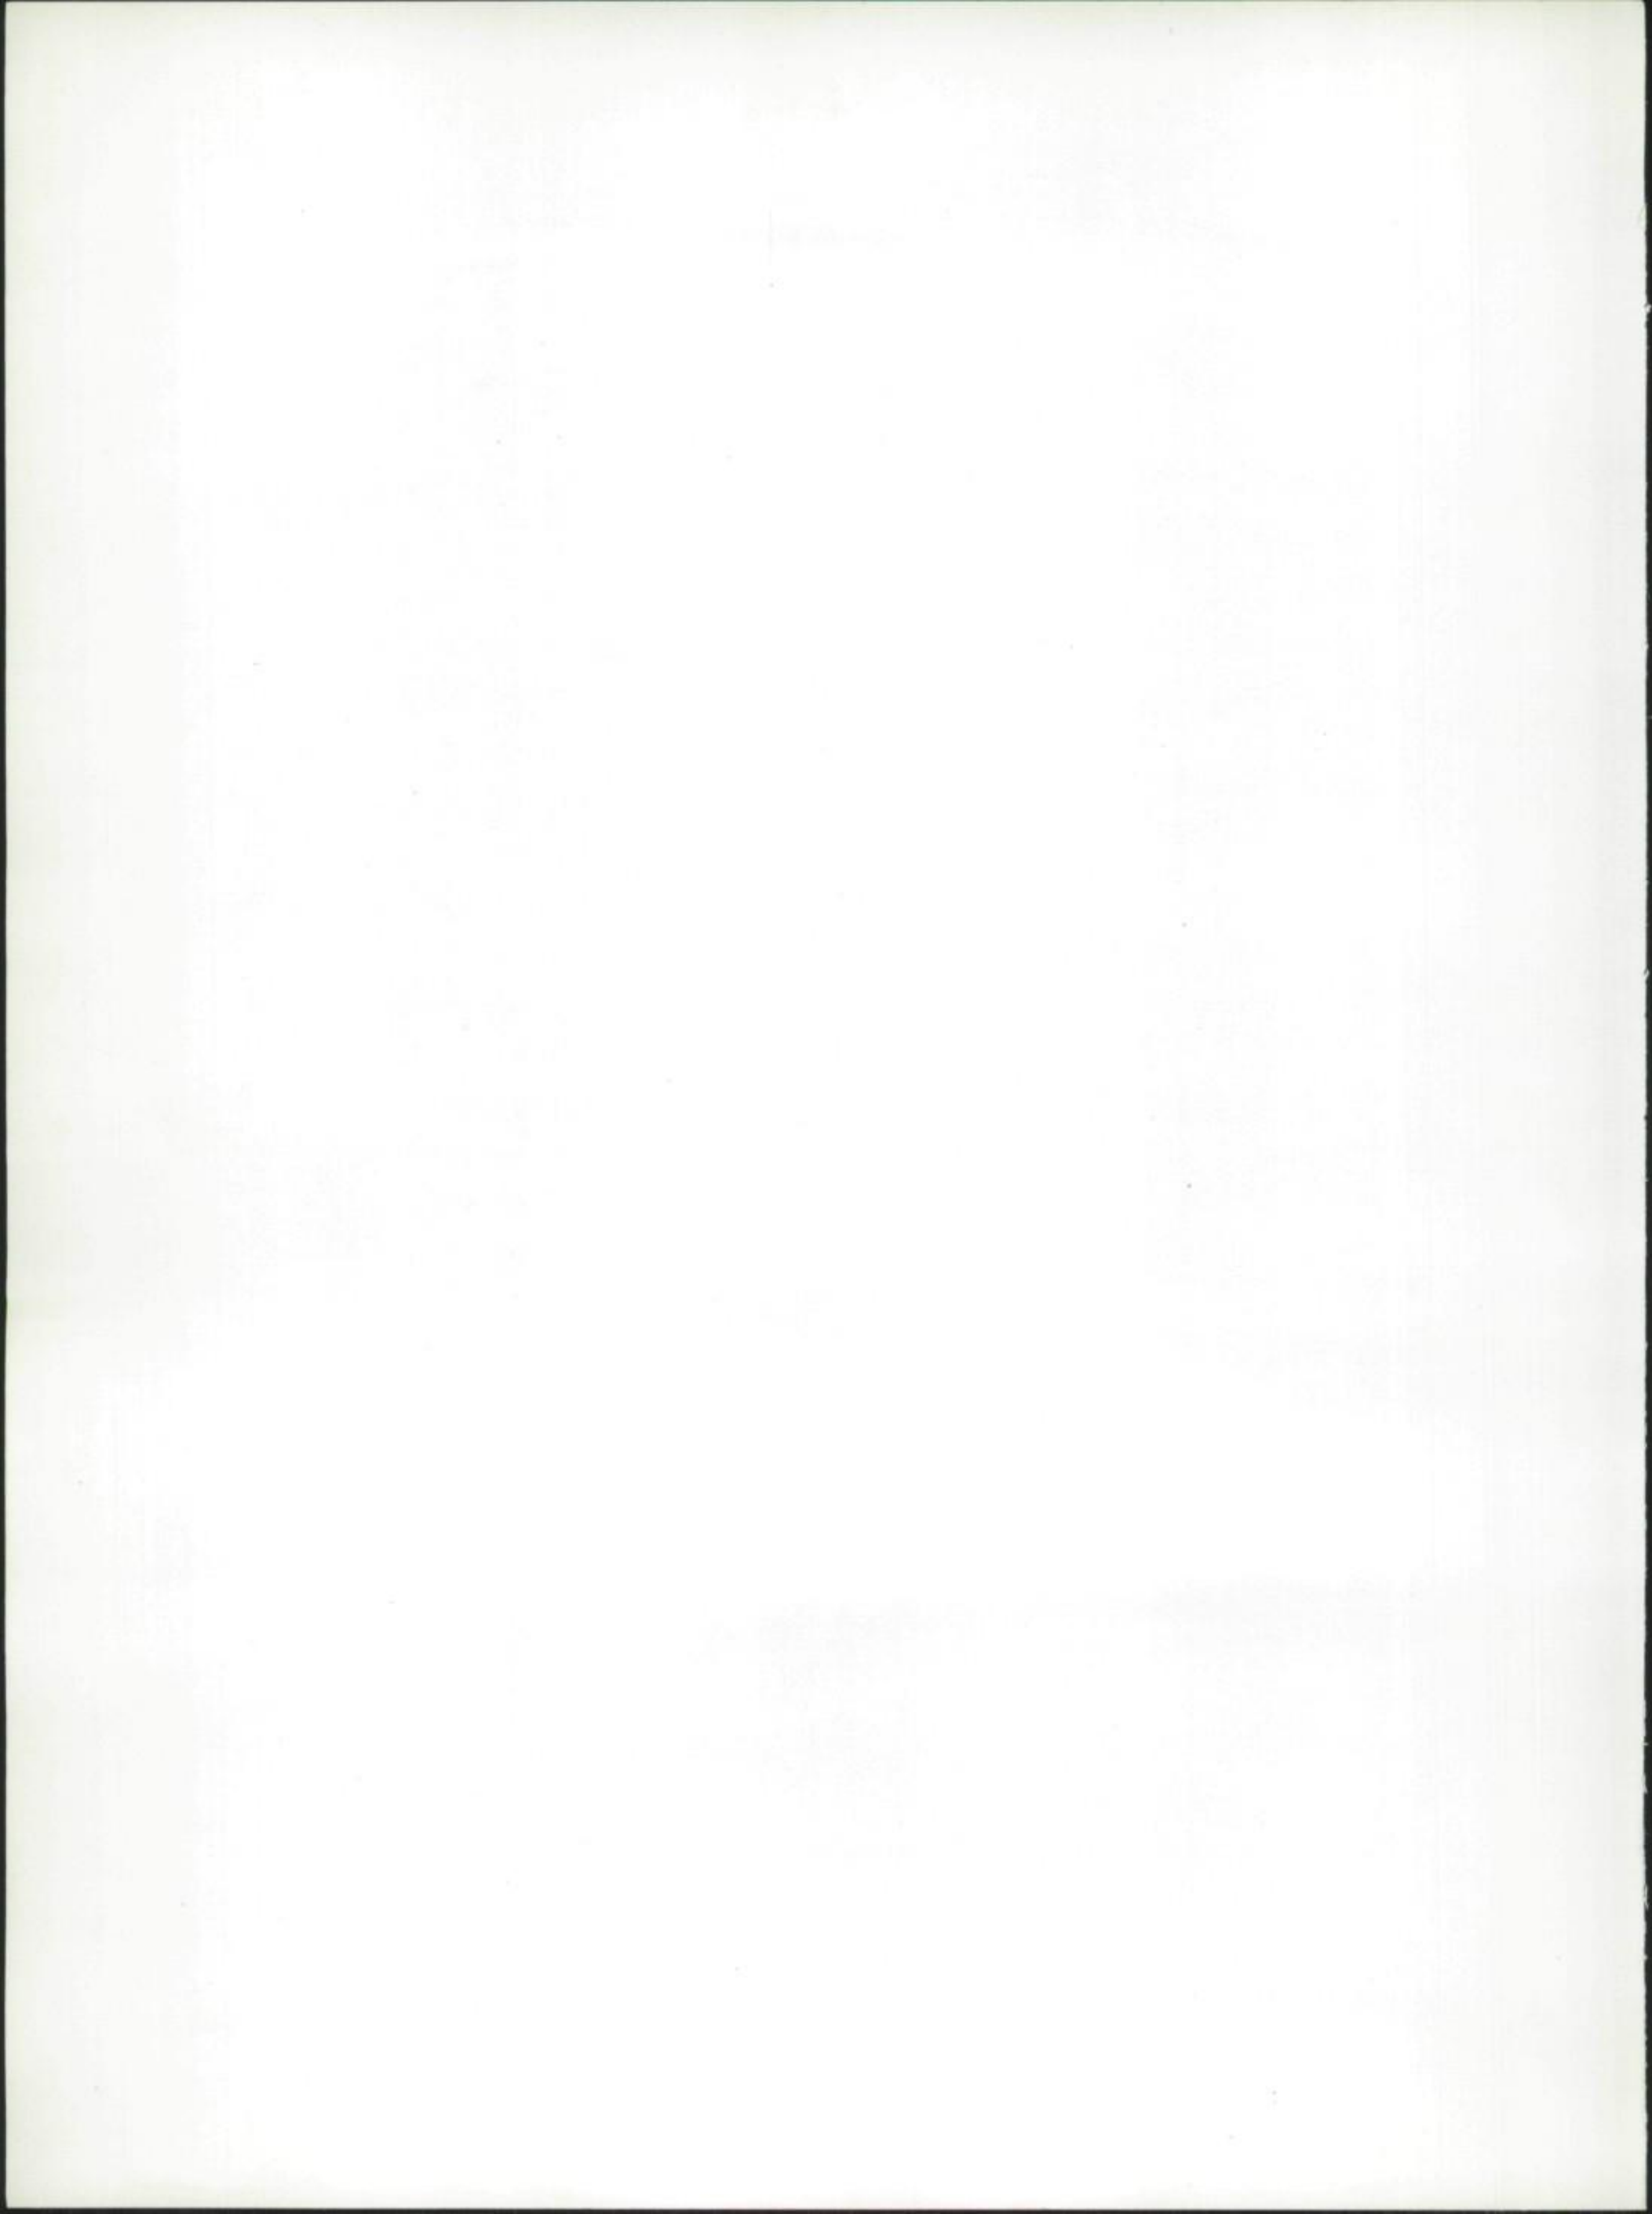

Cyndi,
It's been
great having
you in production. You're a
Human Relation. Your a
really sweet person for
good luck in the future

Cindy

Howdy! What's the
matter don't you have
any friends, nobodies
hardly signed your
book! So, bad!! Ha Ha!

Well this year? certainly
has been 'interesting'.

Human Relations and
Productions has really
been a blast! (Even in
Once Upon a Mattress.)

Good Luck to ya Cindy
and I hope I see you
soon

Bye,

Love
